#### hund River Glarier

ARTHUR D. MOE, Publisher.

Subscription, \$1.50 Per Year.

in the October number of the Pacific Florence Rossberg Richardson. Monthly written by E. H. Shepard, oditor of Better Fruit. By a simple statement of facts, one of the greatest boosts for any successful region, Mr. Shepard tells why Hool River stands in the vanguard of the country's apple growing sections. He has depicted for the reader all the Valley's assets: The grandeur of the mountain, woodland and river scenery, the aesthetic charm that draws the homesteader, who loves the beauties of nature; the charm that draws the homesteader, who loves the beauties of nature; the climate, one that is difficult to find fault with and one that, because of the peculiar conformation of the valley, produces the prefect and long keeping fruit; the soil conditions, which with the climate gives to the commonity its economic charm; and finally the co-operative spirit of he residents, the element that has given residents, the element that has given them the power of making the most of their own efforts coupled with the aid for her an enviable place on the Lyof a lavish nature.

The following interesting extracts are taken from Mr. Shepards article:
The conditions necessary for the production of fine fruit in the Hood River

This entertainment will be followed by five other excellent programs as follows: The Winnifred Townsend Co.,
The Columbian Quartet, Jeseffy, the musician, and The Beilharz Entertainment district are not only ideal, they are perfect. The sea breeze that constantly sweeps up the Columbia river from the Pacific Ocean 150 miles away, GRAND JURY ameliorates the climatic conditions to just the right dogree of temperature, and the breezes from the snow capped mountains close by preserve, during the entire summer, the coolness of atmosphere that is necessary for the development of the apple to its highest Hon, W. L. Bradshaw, Circuit Judge: and keeping quality. The continual sunshine during the growing season adds the finishing touches of color to the king of fruits."

"The fruit grower of Hood River "The fruit grower of Hood River all matters of every kind brought has set the pace for high class workmanship, and is held up as a model for indictments and one no true bill. every other fruit growing section in growing section is striving to equal. The county officers but from the last we had we are not in a position to pass upon the correctness of the Hood River apple grower done his the books of the various officers but all contracted convict labor. work during the last ten years that the the same appear to be systematically Hood River Apple Growers' brand is sold on its reputation, with a guarantee that is good all over the world. A director of the union of another fruit section, who spent several months in England last year, stated that the Hood River Apple Growers' Union Hood River Apple Growers' Union brand was the only pack of fruit that was sold on the English auction market where the buyer and bidder had such confidence in the quality and grade that they made their purchases without opening a box to examine the contents.
