

BELL BLDG. CHOSEN FOR APPLE SHOW

The Hood River Apple Fair Association has completed the plans for its annual show to be held here November 9, 10 and 11. The management states that the large basement of the new Bell building has been secured for the exhibits, and the show is expected to be one of the best in the history of the association, despite the fact of delays caused by an attempt to complete the building at the corner of Cascade and Second street in time for the show.

In addition to the space devoted to the apples, a department will be conducted in the interest of the women, who will be invited to make exhibits of art, embroidery and canned fruits.

The long premium list is as follows:

- 1—Best general box display—First and second prizes, \$25 and \$15. Entry to consist of ten boxes, not more than three boxes of any one variety.

WOMEN WILL LEARN TO CHOOSE MEATS

The following is the program of the Domestic Science lecture for Saturday, October 28. No. 1, cakes—chocolate, foundation, eggless, oatmeal macaroon. No. 2, Baking Powder Biscuit. No. 3, Ice-cream-Boiled, Fondant, meringue.

At the next lecture, the ladies of the class will be given the option of a change in the program for Saturday, Nov. 4. The original topic was frozen dishes and pastry. Mrs. Lawrence has suggested that a lecture on meat would be better appreciated by the majority of women. To carry out the idea it would be necessary to have a butcher with half a carcass present and have the beef dissected in order to familiarize those present with the various cuts to be had at any market, and the most advantageous method of treating the same will be discussed. If the majority of those present so desire, they will be given the opportunity next Saturday to express their opinion on the matter, after the lecture. Besides the lecture on meats or frozen dishes on the afternoon of November 4, there will be the Bachelor Lecture at eight o'clock sharp, also, Mrs. Lawrence will discuss the various dishes which men are often called upon, owing to force of circumstances to prepare, and also give a few suggestions on carving.

PICTURE PORTRAYS EXPERIMENTAL BATTLE

"The Shelling of the San Marcos, formerly the Texas," will be the interesting picture presented by (Gen. Theater to its patrons tonight. The film gives a spectacular portrayal of the destruction of the old battleship, riddled and sunk by the new sea fighters in the interest of science and naval experiment, on the lower Chesapeake Bay March 22. Every detail of loading, reloading and spotting on the warship New Hampshire, which did such effective ravage under the effective firing of the gunners, is shown. Every shot is distinctly seen as it strikes the water, throwing spray four hundred feet high. The audience is thrilled when the shells are distinctly seen penetrating the sides of the old warrior, which careens and sinks with a tremor to the bottom of the glistening Chesapeake.

The firing of the guns affords a view of the most perfect photography ever seen. The instantaneous discharge and the belching fire of the cannon have been caught. A close view is had of the Texas, showing the gaping wounds in her decks where the shells plowed through the steel and iron work, tearing and tangling everything into a weblike mass. The features of life and practice of the sailors shown on the battleship New Hampshire give the audience a general idea of the service of our Jack Tars and naval heroes.

Hotel Men Plan Convention.
The program has just been made up for the first annual convention of the Oregon State Hotel Men's Association, which will be held in the convention hall of the Portland Commercial Club on December 5 and 6. The hotel men will discuss matters of mutual interest and seek ways to increase tourist travel to this state from California and the East.

MUCH ACTIVITY IN CENTRAL VALE

Thrift Bros. of Mosier, have closed a contract with G. R. Bone to clear 40 acres of land of the Central Orchard Co. in Central Vale. The contractors will begin their work next week. The land will be cleared of stumps, trees and brush, plowed and harrowed. It will thus be put in condition for planting.

The Central Orchard Co. with its own crews of men has just completed the clearing of 50 acres of land in the Central Vale tract. All of the land cleared will be set in commercial trees from the company's nurseries this fall or next spring. Twenty two acres of the developed tract are on the place recently purchased by Dr. Alexander of St. Louis. William Fernyhough and W. J. Gower, who recently bought in this district, have cleared five acres which they will immediately set to trees.

PINE GROVE.

Mr. and Mrs. Geo. Baker, of Milwaukee, Wis., are visiting Mr. and Mrs. Peter Mohr.

Miss Lizzie Paasch who has spent the last several months in Seattle is again with us.

Mrs. Warren Wells and daughters returned after a month's trip to Ill. Frederick Murrick, a wealthy fruit grower, of Medford, Oregon, paid a short visit at the J. O. Mark residence Saturday and Sunday on his way to Devils Lake, North Dakota.

Berlin Davis came from Portland, Sunday, to see his mother, Mrs. Johanna Davis.

Mrs. Howard Shoemaker has gone to Oregon City to visit her mother, Mrs. Jas. Mallory.

Bert Roberts, from the Willamette Valley, was in the neighborhood calling on Walter Vannier.

Parent Day at the school Friday afternoon proved to be very satisfactory to parents, teachers and pupils. A large number of the mothers were present but owing to the busy apple season most of the fathers failed to appear, however, one found time to be there. The singing was especially good and showed the parents what the children could do in that line of work. In fact, they are "making good" in all branches. A drill forming the flag in the play ground by the entire school was a special feature of the afternoon. Also the raising of the new 8x17 foot flag was an event in the lives of the children and they joined in yell and cheer with true patriotic zeal. Light refreshments and a social time crowned the evening of the day and the guests went home feeling that Pine Grove patrons were to be congratulated on the able corps of teachers for this year.

Mr. and Mrs. Schroeder, of Astoria, were guests at the Hawkes home a few days last week. Mr. Schroeder is an influential business man of the Harbor city and for several years has been well acquainted with the fancy Hood River apple.

WHITE SALMON.

O. C. Dean, the ferryman, was in town the first of the week with a hurry-up talk for the railroad.

Capt. Spencer is in town again to oversee work at his Spring Creek ranch up the valley.

Homer G. Day and wife and A. Hellwell and wife made a drive throughout the Hood River valley Monday.

R. Ball of Portland, was a visitor at the home of his father-in-law, Wm. Ahrens at the ranch near Husum.

Mr. and Mrs. Torrey and daughter, Florence, have returned from their summer visit to Lake City, Minnesota.

Mrs. G. C. Gillette, whose late husband was president of the State Bank at Goldendale, arrived from Denver, last week and will spend the winter with her sister, Mrs. Read.

While riding home on his wheel the other night Harold Ingram fell from the bicycle and cut a gash in his leg four inches long and has not him out of commission for some time.

Frank Burdick returned Tuesday, from his trip to Northwestern Minnesota, Iowa and Missouri. Glad to get back, too, he says. During the summer they had drought, now they are being flooded by heavy rains.

Twenty Japs arrived in town Saturday, bound for the Glavis ranch to dig potatoes on the 100 acres set to trees last summer, the tubers being planted between the rows. The potatoes are said to be of good size but the yield is not as good as expected. Glavis is still in California, where he is secretary of a conservation society.

The entertainment given by Mrs. Boyden at the Baptist church on Tuesday evening, was well attended and the parts of the different participants highly praised.

Mr. Fruit Grower!

If you are contemplating increasing the size of your orchard you should be careful in the selection of your trees, for without the proper type of trees to start with, you cannot hope for the success you deserve.

The **True-to-Name Nursery** has furnished the larger portion of the trees for the most profitable orchards of Hood River, the orchards that have in later years produced the prize winners were from trees grown by the **True-to-Name Nursery**, including the prize winning car of Yellow Newtowns at the National Apple Show at Spokane. The trees that we have to offer are not "pedigreed" nor "thoroughbred," but are of the type that have produced results that speak for themselves. Our years of practical experience in the nursery business is a safeguard against mistakes and should be a sufficient recommendation to merit your confidence.

It will pay you to examine our stock or write us before placing your order. Address all communications to
