FREE IF IT FAILS

Your Money Back if You are not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to refund your money if our expense should fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and the muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 30 cents; 26 tablets, 60 cents; 50 tablets, 90 cents. Sold in Hood River only at our store—The Rexall Store. Carl A. Plath.

H. M. Kingsley Dies in Michigan.

F. G. Church received the news last Friday of the death of H. M. Kingsley of Kendall, Mich. Mr. Church received a letter from Lee Kingsley, the son of the deceased, which bore the sad message.

Mr. Kingsley was a former resident of the Hood River Valley, having owned and resided on a ranch now owned by C. H. Henney, and the news of his death comes as a shock to his many friends.

Almost Lost His Life.

S. A. Stiel, of Mason, Mich will never forget his terror in exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. Guaranteed by Chas. N. Clarke.

Stimulant or Tonic?

Ayer's Sarsaparilla is not a stimulant. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. Ayer's Sarsaparilla is a tonic. You have the steady, even gain that comes from such a medicine. Ask your doctor all about this. Trust him fully, and always do as he says. He knows.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over thirty years. If you have the slightest doubt about using these pills, ask your doctor. Ask him first, that's best.

Blamed a Good Worker.

"I blamed my heart for severe distress in my left side for two years," writes W. Frads, Danville, Va. "But I know now it was indigestion, as Dr. King's New Life Pills completely cured me." Best for stomach, liver and kidney troubles, constipation, headache or debility. 25c at Chas. N. Clarke's.
