FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years. Your druggist sells it. Please try it.

N. B. Write for Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions, and 64-page book, "House Treatment for Women," sent in plain wrapper, on request.

STATE SHOULD MANUFACTURE CEMENT

That not one barrel of the 1,500,000 barrels of Portland cement, valued at \$3,000,000, used in Portland territory last year was manufactured in the state is one of the startling statements in the new bulletin on "The Economic Mineral Resources of Oregon" by Prof. H. M. Parks of the O. A. C. school of mines, who is also director of the State Bureau of Mines which is publishing the new work at Salem.

Although Oregon produced approximately \$4,000,000 worth of geological products in 1910 more than \$12,000,000 worth were imported from other states and foreign countries, over three-fourths of which could have been produced within the state. More than \$4,000,000 worth of clay products such as brick, tile, pottery, terra-cotta and fire clay materials were used in the vicinity of Portland alone last year, and but \$1,500,000 worth of these were manufactured in Oregon.

California and Washington have for some years spent thousands of dollars investigating the mineral resources of their territory, while Oregon has done practically nothing in this direction. Prof. Parks advocates a more thorough knowledge of the geological resources of the state, through a careful investigation of the results of which may be published to the world. Thus the cement man, for instance, will be attracted here to develop the limestone deposits just as they have hitherto been developed in the states north and south of us through the dissemination of accurate information regarding such deposits.

CHILDREN INJURED**Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints**

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associated bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cts., 25 cts. and 50 cts. Remember, you can obtain Rexall Remedies in Hood River only at our store, The Rexall Store. Carl A. Plath.

Addressed Business Men.

At a well attended meeting of the Business Men's Association, Enoch Brayford, President of the Hood River, Oregon, Business Men's Association, gave an address on waste in business. He discussed waste in various ways and his talk was very much appreciated by those at the meeting. Mr. Brayford has promised the Secretary that he will attend the next meeting, Friday evening, March 15. All members are urged to come as he is an experienced man in Association work.—Tamaqua, Pa., Evening Courier.

A Cold, La Grippe, then Pneumonia, is too often the fatal sequence, and coughs that hang on and weaken the system and lower the vital resistance. R. G. Collins, postmaster, Barnegat, N. J., was troubled with a severe la grippe cough. He says: "I would be completely exhausted after each fit of violent coughing. I bought a bottle of Foley's Honey and Tar Compound and before I had taken it all the coughing spells had entirely ceased. Foley's Honey & Tar Compound can't be beat. It stops the cough by healing the cause. Relieve substitutes. C. A. Plath.
