LOCAL MAIL SERVICE

The employes of the postoffices of different communities may become either the most popular or the most the criticism that one may hear every 44 and Pagett 27, day, they have already attained their desire. To say the least, the patrons of the Hood River post office are getting poor service. The distribution of mail is slow, outgoing mail is delayed and incoming mail is placed in the literaction of the prohibition element, that is the element not desiring saloons in Hood River city, rolled up a large majority. It was evident Tuseday evening, when

powerless under the laws of [the civil and 56 wet. service to remedy the service rendered by the employes. Then the civil service is defective in just such degree.

If employes feel that they are secure in their positions and that only some in their positions and that only some county. Mr. Sinnett's vote was 668 i flagrant violation of their duty will seven precincts, five complete. cause them the loss of their jobs, they combie 76 and Gleaver 64. become lax, tendencies to be careless prevail and increase, and the efficiency of their work naturally decreases. The carelessness at the local postoffice has this county and will be one of Hood become so great that an almost uni- River and Wasco county's representaversal protest is being made. It is tives. The returns of five human to make mistakes and no one can claim perfection in the perform—The Dalles says: "Eleven out of 2 ance of duties. However, when care- precincts in county, including three less mistakes continually increase, it is stime for criticism—time to make an Stranahan 371 and Driver 462. The totals of the returns from the two effort to find some remedy.

office needs additional help. If the employes of the office evidenced sincerity to do all in their power toward the accommodation of the patrons and need state offices: Secretary of state, Kenwere shown for a new clerk, we think nedy 156, Olcott. 457 and Ryan 128; the people would rally immediately to Justice of the supreme court, Eakin their aid. However, instead of a will- 473 and Slater 169; Food commissioner, ingness shown to accommodate the missioner, Aitchison 310, Anderson patrons, the postoffice force has for 147, Mshaffey 118 and Service the past two years been using every District attorney, Allen 281 and Bell opportunity to curtail the convenience of patrons and increase their own privileges.

"The way of the transgressor is a Lippincott's of November adds to the Rhoades 322. addage: "But harder for his wife." This is true always in the case of a man. The case of Becker, the convicted New York police officer, may be cited as an example. The condemned five precincts give 379 for and 340 murderer will find an end in the elec- against. Single tax is defeated here tric chair, fit punishment for his by a large vote. The returns are le crimes. However, his wife must live on and bear the shame and bitter suffering for her husband's misdeeds.

Now that we have enough apples to go around, why not let's consume some of the best of them right here at home. How often have the local hotels and restaurants served the big red and vellow apples the year? Are the constant of the constan and yellow apples this year? Are the larger hotels of Portland serving clear on this dinner." them? But why shouldn't they, if they are not? Visitors to the fruit the joke. -November Lippincott's. countries are always kicking and grumbling because they can get no good fruit. In California one can get no good oranges. They say they are What Causes the Spouting of These all shipped away to the eastern markets. Let's eat a few of the good things at home, and serve some of places in the world, according to a pubthem to our visitors.

River people get busy and take a bunch land and the Yellowstone National of prize winning products down to park, in which these natural steam en-Portland. Talk to Scott, the secretary gines are more numerous and of greatof the club, and help him collect a win. er beauty than in the two other areas

the presidential victory.

"refeaters."

WILSON MAKES

(Continued From Page One)

to the waiting throngs by Secretary R. E. Scott, of the Commercial club. The reports of the entire evening favored Woodrow Wilson for the presidency, and the greater portion of the bot waters. The weird whiteness "covey" of partridges, but a "nid" of recovery and the genter porton of the errowds were looks of disappointment. The most of them were Taft and Roosevelt men. However, a round of waters, the myriad pools of stand waters, the myriad pools of stand. applause greeted the news that "Teddy" had carried Pennsylvania by

such a land slide.

The returns, although even at twelve o'clock they were very meager, of the ten by those fortunate enough to be you that grouse are "challenged" and the club, citizens telephoning in the news from the different precincts. The was long a riddle to scientific men. "fallers" and snips are "at walk." So

The telephone at the club rooms was busy until after midnight. "Who's elected?" "What you got on the election?" "How's she coming?" were the usual interrogations. All the world the world the usual interrogations. All the world the surface. In a long and parrow or an effect of the slege. was eager. The musical tones of ex-pectant suffragettes floated over the wires: "Will you tell me about equal suffrage in Oregon?"

WILSON LEADS IN HOOD RIVER COUNTY

The complete returns for five pre-cincts on the local presidential race were received yesterady afternoon and incomplete returns from one precinct.
Their total gave Wilson 343, Rossevelt 335, Taft 276, Debs 80 and Chafin 40.

Apond River Glarier The precincts with complete returns were: East and West Hood River, Mount Hood, Odell and Pine Grove. Incomplete returns were received from

Barrett. Complete returns were received on all candidates and initiative and referendum measures in Odell, East Hood River, Pine Grove and Mount Hood yesterday afternoon.

Selling County's Favorite

Ben Selling, for the United States unpopular residents of those respective senate has a fair lead in this county communities. The members of the Six out of nine precincts, all complete but one, give Mr. Selling 307 votes. local postoffice force seem to have His opponents have the following vote chosen the latter role, and to judge by Bourne 209, Lane 211, Clark 123, Rami

The Drys Have It

Although not by a two to one vote, wrong lock loxes, creating delays for the ballots in the Hood River Center business men and those with whom and the East districts gave the following results: Dry 206 and wet 144. A canvass of the votes in West Hood The postmaster declares that he is River yesterday morning gave 131 dry

Sinnott Gets Large Vote

Stranahan Close to Anderson

Stranahan has polled a large vote in effort to find some remedy.

It has been declared that the local son 1002 and Driver 693.

Other State Offices

Complete returns from five precincts

County Offices

There were but two contests in the county offices, that of commissioner and county judge. The complete rehard one, 'says the old proverb. The turns from five precincts give: Castner 582 and Stark 330; Putnam 444 and

Equal Suffrage and Single Tax

Thought It Worth a Nickel

Several drummers stopped at a hotel "The fear o' hell's the hangman's in a small town in Illinois for dinner. That hauds the wretch in order,"
says Burns, but thoughts of the sufferings of innocent families should also be a hanging sword.

Allong the diners that day were also a number of country people. The drummers did not relish the meal. The country people did. The landlord charged the country people 25 cents, but demanded 50 cents of the traveling that demanded 50 cents of the traveling that the country people is the country people of the suffering that the country people is the drummers and the country people. Among the diners that day were also a men. Now, drummers don't mind pay

BOILING GEYSERS.

Natural Steam Engines.

Geysers are found in only three lication entitled "Geysers" issued by the department of the interior. These three regions are Iceland, where gey-Now that the election is over, Hood sers were first discovered; New Zeamentioned. In the Yellowstone the geysers are found in detached geyser basins, or fire holes, as they were Democrats should tender "Teddy" called by the first explorers, and the a congratulatory message for his aid in groups possess individual peculiarities which give character and interest to each locality. The most noted of these Voting the Oregon ballot discourages Upper Geyser basin of the Firehole river, one of the headwaters of the great Missouri. The whole floor of the valley is fairly riddled with springs of bolling water, whose exquisite beauty A CLEAN SWEEP is indescribable. Light clouds of fleecy vapor curl upward from waters of the purest agure or the clearest emerald and, encircling rims of white marblelike silica, form fit setting for such great gems. A large part of the valley floor is covered with the white deposit of silica known as alliceous his speech. Thus he finds a "pack" or sinter, deposited by the overflowing a "covey" of grouse and likewise a waters, the myriad pools of steam- woodcock. Having found them, be ing crystal and the white clouds "springs" the grouse and the pheasing off from the chimneylike geyser unts, but "flushes" the woodcock, snipe cones form a scene never to be forgot- and partridges. Further, he will tell

news from the different precincts. The messenger in the country would no more than give his results than he would eagerly ask for news from the fillustrious chemist Runsen, is now generally accepted. This theory is larged on the well known fact that the London Chronicle.

Hood River's Largest and Best Store

WASHOUGAL

225 acres; between 80 and 100 acres in cultivation; nice orchard, family variety; 9 acres in prunes; good dryer; good 8-room house, barn 56x108, and all other buildings and machine sheds, in good condition; nice running stream through barnyard; 2 good springs; water piped to house; county road; R. F. D. and telephone; % of crop for 1912; also 12 cows, 1 bull, 3 yearling calves, 5 spring calves, 4 head of good horses, 2 wagons, binder, mower, rake, harrows, plows and cultivators, tools too numerous to mention; 8 miles from Washougal; R. R. station and boat landing. Small price of \$75.00 per acre, % cash, balance 6% interest on long time.

30 Acres-All in high state of cultivation; good house with cold and hot water, gravity system; barn, concrete cellar and other buildings. This property lies ideal, 14 miles from R. R. station and boat landing; beautiful view of the Columbia river and surrounding country. This land is below market price because there are subdivisions lying around this property that are sold for \$200 per acre without any improvements. Now including all those improvements, this property can be had for \$6,500; \$3,000 cash, balance on easy payments.

42-acre farm; 36 acres in high state of cultivation; fine house with hot and cold water; large barn and other out-buildings; fine span matched black mares, 4 fine cows, hogs, 200 chickens, binder, mower, rake, disk, harrows, cream separator, gas engine; in fact all the tools that go to make up a first-class equipment. Barn is full and overflowing with hay, grain, etc. This is a snap at \$9,750, \$4,00 cash, balance long time at 6%.

TILLAMOOK

215 acres, 170 acres cleared; 1/2 mile of deep-water front; on good roads; large barn, fair house. This is as fine a dairy proposition as there is in the state. It is fully equiped with horses, hogs, hens, turkeys, some cattle, tools and machinery; about 100 tons of hay. This is offered at \$25 to \$50 per acre under adjoining property. The price is, for quick sale; \$20,000; \$10,000 cash, balance long time at 6%.

87 acres, about 6 miles from Tillamook, fine quality of soil; mostly all under cultivation and very little waste land; practically all level; all fenced and cross fenced; good road through place. River bounds property on two sides—lies in bend of river; fine live stream; gravity water piped to good barn, good house and hydrant in yard; house of six rooms, hot and cold water plumbing, porcelain sink and back in kitchen, bath room with roll-rim porcelain tub, toilet, lavatory; 9 cows, 5 heifers—will freshen in spring, 1 bull, 5 heifer calves, team of farm horses, 2 head of hogs, all chickens, 1 heavy farm wagon, 1 spring wagon, 1 top buggy, heavy and light harness, plow, rake, mower, cultivator, harrow, sled, all carden tools, all have and produce. Price \$12,000; \$4,000 cash, balance harrow, sled, all garden tools, all hay and produce. Price \$12,000; \$4,000 cash, balance long time at 6%.
