WEST PROCLAIMS HOME INDUSTRY DAY

Today is Home Industries Day, so proclaimed by Governor Oswald West, who says in part in his proclamation: "To make this day an impressive object lesson to the whole state there should be some concerted action toward increasing the demand for Oregon made products. To this end I would suggest that every manufacturing establishment in the state close down for an hour during Home Industries Day and the managers call their employees together and give them a heart to heart talk on the importance of building up our home industries and set an example by declaring their intention to use, as far as practicable, only home grown products and home made machinery in their establishments. I would suggest also that on Home Industries Day every man and woman in Oregon in doing their shopping, purchase only made-in-Oregon products. Merchants should help by making attractive window displays of such products. I would also suggest that the subject be discussed in our public schools and institutions of learning, in order that it may be impressed upon the mind of the young, for the time will come when these same children must have employment, and unless they can find it with the industries of our state they must seek it in other states. Success along these lines can only come through the hearty cooperation of all good citizens, and I bespeak for the cause such cooperation."

GREAT MASS OF PROOF Reports of 30,000 Cases of Kidney Trouble, Some of Them Hood River Cases

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof follows from 30,000 testimonials. Hood River is no exception. Here is one of the Hood River cases. Mrs. J. T. Holman, Twelfth street, Hood River, Ore., says: "I do not know what I would have done had it not been for Doan's Kidney Pills. I suffered greatly from backache, head-aches and general kidney trouble and was feeling quite ill when I began taking this remedy. I was surprised by the quick relief I followed the use of the first box. After I had taken the contents of three boxes of Doan's Kidney Pills I was free from my trouble and my health improved. I have not had the least symptom of kidney complaint since. I am only too glad to recommend Doan's Kidney Pills. For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York. The agents for the United States. Remember the name—Doan's—and take no other."

New Church to Be Dedicated
The Asbury M. E. church will be dedicated Sunday morning, Dec. 16, Bishop R. J. Cooke, D. D. L.L.D., the great scholar and orator of Methodism, will preach the dedicatory sermon. In the evening Dr. Benjamin Jones, pastor of the First M. E. church of Portland, will preach.
Next Sunday the services will be held as usual. Sunday school at 10 a. m. Preaching service at 11 a. m. "Broken Yokes." Epworth League at 6:30 p. m. The pastor will lead the Epworth League service. All are cordially invited to attend these services.

Porto Rico's New Wonder.
From far away Porto Rico come reports of a wonderful new discovery that is believed to vastly benefit the people. Kaon T. Marchan, of Barcelona, writes: "Dr. King's New Discovery is doing splendid work here. It cured me about five times of terrible coughs and colds, and my brother of a severe cold in his chest and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico. For throat and lung troubles it has no equal. A trial will convince you of its merit. 50c and \$1.00. Trial bottle free. Guaranteed by Chas. N. Clarke."

MR. AND MRS. MASON TAKE GRANGE DEGREE

Mr. and Mrs. A. I. Mason returned from Spokane Monday, after having received the seventh degree of the National Grange at meeting held in the Washington city Saturday evening. Mr. Mason was also present for the horticultural meetings at the National Apple show. However, the good roads bill initiated by the state grange at the recent election still have a great interest for Mr. Mason. He says that he thinks the bill met defeat because of the fact that they had no distinguishing designation on the ballot. "The thing for us to do who want good roads legislation that is effective is to go before the legislature and ask for a county enabling bonding act, although we will have to limit it to two per cent instead of five. Grange harmony bill passed by the people. We should also ask for a highway department to be established in conjunction with the state engineer's office. I would like to see a state highway engineer, but I know the prejudice against the establishment of a new office."

Unitarian Church
The meetings at the Unitarian church next Sunday are as follows: Sunday school at 10, church service at 11, Young People's Religious Union at 6:30, and lecture on Religion and Science at 7:30.
The following is an outline of the third lecture: "Claim of science to possess exclusive knowledge and right of supremacy. The Faiths of Science. Intuitive knowledge, evidence, authority, analogy, hypothesis. Grounds and methods applied to those of religion." The aim of the next three lectures is to show that the truths of religion are as certain as the ideas postulated by science.

At the Gem
The Gem shows today: "The Elopement and Gereone, Venice of Safia," Pathe. "Captain Barnacle's Wait." Battered by the world the poor orphan comes under the care of Captain Barnacle and his daughter. She helps him, teaching him to read and brings him under the influence of the captain's home. The boy repays his benefactor by sacrificing his life to rescue the captain's daughter from flames when the house catches fire. Gratitude is a pleasant thing to see, and it is so well depicted in this charming Vitaphone life portrayal. "The Mixed Sample Trunks," the laughable experience of two salesmen with their sample trunks and odd freak of fate that leads one to believe that real murder had been done.
Friday and Saturday will be shown the following:
"Partners," Selig. "Mary in Stage-land," being the third story of "What Happened to Mary," produced in collaboration with "The Ladies World." This is the next story of what happened to Mary. It is a brilliant production of stage life and of independent interest from the preceding stories. "The Count's" and "Weary Starts Things in Pumpkinville." Two of the funniest at the one running. If you like comedy you will get your fill of it in this offering. The counts are all bogus counts, who pass themselves off as real, but prove to be of no account. "Weary" is chased by an elephant and the whole town joins in the chase. The elephant has a big time and turns the laugh on everybody. If you are fond of laughing you will get a double allowance. Count the laughs and watch Weary start them.
Selig's program is as follows:
"So Near and Yet So Far." "A Well Washed House," evolution of the silk worm. "The Village Vixen." The ungovernable temper of Eva. "Eva has caused her to be known as 'The Village Vixen.'" See this film and see how she was cured and given a complete change of heart.
"I am pleased to recommend Cham-plain's Cough Remedy as the best thing I know of and safest remedy for coughs, colds and bronchial trouble," writes Mrs. L. B. Knoll of Denver, Colo. "We have used it repeatedly and it has never failed to give relief." For sale by all dealers.

******* Something You Should Know About Substitution *******
If you wanted to buy oak lumber and the man delivered yellow pine, you would know the difference.
If you wanted to buy silk and they sent you calico, you would have no trouble in seeing the substitution.
It is not so easy, however, with medicine. A great many medicines look alike and taste alike, BUT THEY DON'T ACT ALIKE. Just think this over the next time you want medicines. Remember that at our store you can absolutely rely on every drug we sell. The difference between buying medicines and merchandise is the difference between knowledge and belief. You know the one but you have to believe in the other. You will be absolutely safe when you put your belief in us.
