### SWICK PEAR ORCHARD BRINGS GOOD RETURNS

Those who were at the courthouse during the condemnation proceedings between the O. W. R. & N. Co. and F. H. Button were very much interested in the testimony of J. H. Swick, who stated that on a three-quarter of an acre pear orchard on his riverside farm he had sold, net, during the past 20 years \$12,000 worth of fruit. That pears are very profitable is also evidenced by the report, covering the past three years, of William Swick, whose ranch is on the West Side on Avalon Way. Mr. Swick's average net returns for the past three years have been \$1335 per acre.

Mr. Swick's tract is comprised of two and one-fifth acres, 290 trees, of which 283 are Bartlett and the remainder Winter Nellis. The net returns from the Hood River Apple Growers' Union for the past three years, after deducting the cost of boxes and paper, have been respectively: 1910, \$1800; 1911, \$740; 1912, \$1465. In 1911 the crop was cut short by a lack of water at a time when the trees needed irrigation, most. As a result of not being able properly irrigate, Mr. Swick says the greater number of his pears were culls.

The proper allowance for labor of man and team was estimated at not to exceed \$130 per month.

### "JANE" BRINGS OUT HISTRIIONIC ABILITY

No newspaper was ever guilty of such an oversight as was the Glacier last week when its columns failed to mention the performance of "Jane," that rickety musical comedy in which Nat Goodwin made such fame. The Congregational ladies, who presented the company of local talent in this entertaining vehicle were gratified by the presence of a large audience. The show was given at the Monroe Opera house on the evening of Wednesday, January 15. People who saw it are still talking about it, and telling of the story of the show is still new.

The cast of characters were: Charles Shakerston, R. E. Scott; William Tipton, C. F. Gilbert; Mr. Kershaw, Arthur Clarke; Mr. Pixton, J. P. Lucas; Claude, Herbert Phillips; Jane, Harriett Hansen; Mrs. Apple Swick, Florence Schmeidler; Lucy Norton, Ethel Keir; Mrs. Pixton, Mrs. J. P. Lucas.

The following young ladies made up the chorus: Marie Hartness, Lillian Brock, Ethel McDonald, Elizabeth King, Dorothy Baker, Jessie Howes, Elizabeth Carson, Myrtle Husbands, Marion Howe, Ella McDonald, Jewel Taylor, Gertrude Nickelsen, Ruth Harris, Wilma Imholz, Wilma Thomson, Ruth Barrett, Clara Rand, Katherine Baker, Marywhitner Whitehead, May Klinger, Lena Bartlett, Frances Castner, Beatrice Shreve.

An amateur performance is always intensely interesting to an audience when the audience is well acquainted with the characters. Gilbert and Clarke, well known to the Hood River stage, were up to their standard. Mrs. Schmeidler, too, has often taken part in amateur theatricals, and soon the usual applause. Mrs. Keir played admirably the part of Lucy Norton. Harriett Hansen executed well the lines of Jane, and Herbert Phillips created numerous laughs as Claude. The surprise of the evening was the display of the histrionic ability of Mr. and Mrs. J. P. Lucas in the parts of Mr. and Mrs. Pixton. Mr. Pixton was a bold, bad man, when backed up by sufficient encouragement from Mrs. Pixton. The well executed parts of Mr. and Mrs. Lucas created no end of mirth. The appearance on the stage of Ray E. Scott was another surprise. Mr. Scott showed that he could not only make things hum around the Commercial club, but that he was an artist in the calcium light.

The musical numbers were: "Hello People," Entire Chorus; "Babyland," Ruth Barrett and chorus; "Loveland," Florence Schmeidler and chorus; "Gee," Herbert Phillips and chorus; "Sullivan," W. E. Graham and chorus; "Fascinating Widow," Ethel Keir and chorus; "Good Bye," Entire company.

### BUSINESS OF HOSPITAL SHOWS INCREASE

The report of the secretary of the board of directors, Dr. E. O. Dutro, which was read at the annual meeting of the stockholders of the institution, shows that the past year has been the most successful in the history of the hospital. The receipts for the Cottage Hospital for 1912 were \$10,960.70 and those for 1911 were \$8,885.32. During the past year, in addition to the meeting the monthly expense of the institution as it came due, the association has paid off \$2,000 of indebtedness. A great source of the income has been derived from the contract with Stone & Webster, the contractors, who are constructing the huge dam for the Northwestern Electric Co. on the White Salmon river. Patients for Stone & Webster will be cared for until the work is completed in the summer.

At the Monday meeting the by-laws and constitution were so amended that the board of directors will consist of five members instead of seven as was the case last year. Dr. H. L. Dumble, Dr. J. F. Watt, Dr. E. O. Dutro, Dr. E. D. Kanaga and Dr. Malcolm Bronson were re-elected to the directorate. Miss P. Stampler is now superintendent of the hospital.

In addition to the regular expenditure and the payment of old bills about \$500 was expended last year in permanent improvements, the most of which was applied to the operating room, bringing it to a high state of efficiency.

### ELKS TO PRESENT NOTED HARPIST

In engaging the justly famous Schubert company, of Chicago, to give one of their delightful entertainments here the Elks can congratulate themselves upon securing an additional and entirely unexpected feature of the greatest excellence. For it so happens that Miss Frances Rheinhart, the eminent harp soloist, is making a short concert tour of the United States in company with the Schubert and will positively be heard here with them on February 11 at the Heilbronner hall. Keep this in mind for, although she is not advertised on the Schubert's program or printing, she will be here with them and add two great solos to their fine program. It is our good luck that she is visiting her musical friends at the time they happened to be engaged to appear in Hood River. Tickets on sale at Clarke's drug store.

### Prof. Dunne Will Lecture

Prof. Frederick Dunne will lecture to the students and patrons of the high school next Friday evening on "Mid Rome and Latin Modernly Applied." Prof. Dunne, who is a member of the faculty of the department of Latin at the University of Oregon, is a very entertaining speaker and the lecture will be enjoyable as well as instructive. Stereopticon slides will be used to illustrate the talk. An admission fee of 15 cents will be charged each person to defray the expenses of the event.

### Guid Dance Pleasant Event

The dances of the St. Mark's Guild have been among the most popular given this season. The third was held Friday evening at the Heilbronner hall when about 40 couples enjoyed the social event. The music for the occasion was furnished by the Chardier orchestra.

### A BIT OF ADVICE

First — Don't Delay. Second — Don't Experiment

If you suffer from backache; headache or dizzy spots; if you feel weary and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Hood River residents desire more convincing proof of their effectiveness than the statement of a Hood River citizen who has used them and willingly testifies to their worth?

Mrs. A. L. Vincent, Eighth and Columbia streets, Hood River, Ore., says: "Doan's Kidney Pills have been used in our family, and have proven very beneficial. Whenever my back aches, I take this remedy and it relieves me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### Card of Thanks

We wish to extend our sincerest thanks to our neighbors and friends for their kind aid and sympathy during our recent bereavement at the time of the death of our mother.
