To Our Friends and Neighbors

You know us. You know we would not-that we could not afford to go back on our word. Nor can you afford to ignore this money-back-if-not-satisfied offer on this splendid laxative.

We honestly believe we have the best howel remedy ever made—the a most pleasant-to-take, most per-manently beneficial laxative for relief rom the miseries and dangers arising

We wouldn't say this if we didn't believe it to be true. We wouldn't risk our reputation by making such statements did we not feel sure you would find them true.

Our faith is built both on the knowledge of what Rexall Orderlies are made of and on observation of very many sever cases in which they have proven their merit.

Try them at Our Risk

If they do not abundantly prove their merit with you also — if you are not entirely satisfied with them— we will refund your money—and we will do that on your mere say-so. We don't ask you to risk a penny. Isn't that fair?

Just let the bowels fail in properly doing their work—just let their action be delayed and incomplete and the entire system and every other organ suffers. Wastes that

should have been dispelled remain to poison the system. Headaches, billiousness, nervous-ness and other tormenting and seri-ous ills are common when the bowels fail to set daily as nature intended. All this may be avoided, if you will accept our advice.

Rexall Orderlies

taste just like candy. They are soothing and easy in action. They do not cause griping, nauses, purging or excessive looseness. They tend to tone and strengthen intestinal nerves and muscles. They promptly relieve constipation, and help to permanently overcome it.

Rexall Orderies promote better spirits and better health. In all of these things they are vastly superior to old-fashioned, harsh salts and other purgatives, which are not only unpleasant to take but which usually leave the bowels in worse condition than before. We particularly recom-mend Rexall Orderlies for children, aged and delicate persons.

Rexall Orderlies come in vest-pocket tin boxes. 12 tablets, 10c; 36 tablets, 25c; 80 tablets, 50c.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all drug-gists. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:
