GRANDMA—MOTHER—DAUGHTER

These Pictures Tell the Story

Grandma used to knit the stockings and mother used to darn them. Daughter doesn't do either—she simply buys "Holeproof."

You no longer think of knitting your own stockings because it takes too much time. Then be equally up-to-date and let us relieve you of the darning. "Holeproof" is guaranteed to need no darning in six months. If holes appear you merely bring in the coupon and receive new hosiery free. Come to our store and see both the hosiery and the guarantee. "Holeproof" costs no more than the ungaranteed—25¢ to 30¢ cents a pair—so you may as well have the best.

No Garment Should Be Put Away Until It Has Been Thoroughly Cleaned

Dirt, grease, wrinkles and creases ruin a garment faster than proper wear.

If you lay your winter clothes away dirty they will look old and dingy next fall, and may be full of moths.

Dry cleaning not only removes all dirt, grease, germs, moth eggs, etc., but if put away in the box or bag in which they are returned there is absolutely no danger of moths, and your clothes are ready to wear any minute you want them in in the fall.

Tell us how you want them returned, whether in box or bag, and they will come home ready to lay or hang away. We will guarantee them to open up satisfactory in the fall.
