OKANAGAN VALLEY SHOW IN OCTOBER

The Okanagan and Spallumcheen Agricultural Society has decided to hold the second annual Okanagan Valley Apple Show at Vernon, B. C., on Wednesday and Thursday, October 22 and 23. Hon. Price Ellison, W. Scott Allen and W. Crawley Ricardo are officers of the association. Vernon last year held the first apple show in Okanagan Valley, with Sir Richard McBride present to open the exhibit, which showed how and why the Okanagan valley produced 70 per cent of the money value of fruit in the province. Twenty million, six hundred fifty thousand and four hundred pounds of apples, representing a money value of \$28,600 were produced in 1911. Vernon and district shipped 317 carloads. Of other fruits 4,682,144 pounds were produced, representing \$120,152. Berries 1,656,000 pounds at \$175,200; with vegetables 173,000 tons at \$2,049,694, adding to the sum total of \$2,871,906. The superior fruit of the Okanagan valley medal at the Royal Horticultural Show in London, open to the British empire. Okanagan valley fruit won prizes aggregating \$4,423 at the Spokane apple show. Vernon and district is being benefited by a greater interest in poultry, hogs and sheep, and mixed farming. Lovely weather prevailed through July and crop prospects have never looked better.

Business Men Trim Clerks

In one of the warmest exhibitions of the national game ever gyrated around the local portion of the terrestrial sphere, the supervisors of Hood River's commercial institution and professional emporiums trimmed all former trophies from their ancient opponents, the Hood River clerks' team Sunday morning. The game ended with seven falls side by side on the column set aside for the clerks, while the business men had scored eight runs. The business men have grown a swelling in the chest band district because of the fact that they played with only eight men. The battery of the clerks was Wood and Husbands. Business men—Kresse and Fuller. Kresse is developing into the star of the B. M. stars and only allowed four hits last Sabbath. Both teams played well in the field according to the dope sheets of the devotees. Dad Epping, by stopping the hot ones, has been granted the belt once worn by John B. Castner, and is now being called the grand old man of baseball.

Progressive Dinner Party

A delightful progressive dinner party was given last Thursday evening. The first course was given by Parkes by Miss Louise Halverson; the second course at Kinnaird's by Misses Frances and Kitty Bragg, Lela Kelsay and Lotie Kinnaird; the third course at Holbeck's by Miss Hazel Hollenbeck; and the fourth course at Furrow's by Misses Lela Hersher and Flora Furrow. Automobiles conveyed the parties to the various homes. Including those above mentioned, those present were Miss Vivit Palmer, Miss Menzies, Crawford Lemmon, Claude Thompson, Harold Hersher, Ray Furrow, Este Brosius, Culver Osgood, Richard Danforth, Harry Coshov and Roy Gill.

"Last winter my son caught a very bad cold and the way he coughed was something dreadful," writes Mrs. Sarah E. Duncan, of Tipton, Iowa. "We thought sure he was going into consumption. Plum Shipments Profitable

Although he was only able to realize two cents per pound for the fruit in local markets, D. P. Smith found a ready market for his limited crop of plums in Wyoming. Mr. Smith shipped five crates, 25 pounds each, to Casper, where they were bought readily for \$2.50. The express charges per crate were 80 cents. "Every crate, too," says Mr. Smith, "had been broken into. The express companies should take some measure to prevent their employees from robbing express shipments."

Mother's Very Idea

Two suburban mothers met on the train one day, and the topic of their conversation was their daughters. "How did your daughter pass her examination for a position as teacher?" asked one. "Pass!" was the answer. "She didn't pass at all. Maybe you wouldn't believe it, but they asked that girl about things that happened long before she was born."—September Lippincott's.

CLEAN OUT AND CLEAN UP WHY WE CAN GUARANTEE VERONICA WATER

WE KNOW that nine-tenths of the diseases with which the human race is suffering today are due, primarily, to overloading the stomach and not properly chewing the food, which causes a fermentation of same, and gases or acid lodging in the linings of the intestines and being absorbed into the system, which creates an acid trouble, causing all kinds of troubles—first of the stomach, then the liver, then the kidneys. WE KNOW from the analysis of Veronica Water, made by the United States Government, that it is an ANTI-ACID and will dissolve and expel the CAUSE OF DISEASE without gripping and weakening (which no other water, or drug ever compounded was known to do.) If you want to cure any disease you must Remove the Cause

Look at the tongue; see the coating there. The deeper you get into the system the thicker it gets, until the natural action of the intestines is lost. Compare your system to an upright boiler. You can see the flues corrode and the fire-box fill with ashes—just so with the system. Clean it out. WE BELIEVE God Almighty made the human system perfect, and if we studied its care and gave it half attention we do to any piece of machinery it would work all right.

Our Guarantee to you AFTER 17 YEARS' success in the Eastern markets, and from the experience and RESULTS produced for a case in your home on TEN DAYS' TRIAL, FREE, and if it does not give you better results than all the remedies you ever used—AND YOU TO BE THE JUDGE—the e will be no charge for water used. The names you know the diseases by are merely the symptoms. We do not care what name you give it, if you want to cure it MUST REMOVE THE CAUSE, whether it is Stomach or Liver Indigestion, Dyspepsia, Water Brash, Heartburn, Gastritis, Heart Trouble, or Malaria, etc. Kidney or Bladder Rheumatism, Sysetia, Dropsy or any other name you are pleased to call it. We don't ask you for your money first—you get RESULTS first. No, Veronica is not A CURE-ALL. We make no such claim, but, from the testimonials we have received, the people make it so. They only claim we make it that "it will dislodge the corrupt particles, dissolve and expel them from the system WITHOUT gripping or weakening. This action purifies the blood and thus permanently relieves. What pure blood won't do can't be done by drugs.
