TERRACE SAYS HE IS COMING BACK

Orilla, Wash., Oct. 6, 1913
Editor Glacier: I received your paper with the account of my meeting in Hood River, and might state that you know your business. You made a few slight mistakes, but they did not amount to very much. You stated that I was a Welshman, which should have been an Englishman, but if you continue boosting for good roads as you did in that article, it will not be very long before you will be building the most beautiful scenic road in the world down the Columbia river.

HARTMAN SAYS GOOD ROADS NEEDED

Seattle, Wash., Oct. 8, 1913
Dear Sir: It is very good of you to send me a copy of your issue of the 2nd, which contains the splendid write-up of the trip of the Portland gentlemen. You are certainly a "live wire." Your work is of a high order and will mean very much for the road cause in your state.

COMMISSION CALLS FOR LAND EXHIBITS

The Oregon State Immigration Commission, of which C. G. Chapman is secretary, urges Hood River people to send in their exhibits for the Chicago Land show. Tags, which will carry these exhibits free, may be had at the Commercial club or at the Glacier office. A letter from Mr. Chapman follows:

Your section has not yet been in samples to be included in the Oregon state exhibit at the eastern land show. This exhibit is soon to be forwarded in one large shipment to the United States Land Show at Chicago. We desire that each community be represented. You have nothing to represent your county at this land show. If you kindly advise us immediately what action you wish to take regarding this matter.

DOAN'S KIDNEY PILLS

Doan's Kidney Pills are for weak kidneys. Local evidence prove their merit. W. H. Root, rancher, Thirteenth and State Sts., Hood River, Ore., says: "I believe a cold started my kidney trouble in my case. Irregular action of my kidneys annoyed me day and night and sometimes I was unable to sleep. The passages of the kidney secretions were attended with a burning pain. If I tried to stoop, I had sharp twinges in the small of my back. I felt weak, tired and languid and often I got dizzy. Nothing helped me until I took Doan's Kidney Pills on a friend's advice. In less than a month I felt like a different man and four boxes made me well. The pains went away and the kidney weakness became a thing of the past. I publicly recommended Doan's Kidney Pills after they helped me so greatly and I will gladly confirm my former testimonial. I still use Doan's Kidney Pills off and on, when I catch cold in my kidneys and they always help me."

Unitarian Conference Coming Here

Mason, of Hood River, writes: "My whole family depends upon Dr. King's New Discovery as the best cough and cold medicine in the world. Two 50c bottles cured me of pneumonia. Thousands of other families have been equally benefited entirely upon Dr. King's New Discovery to cure their coughs, colds, throat and lung troubles. I have done help. Price 50c per bottle. Wife of a Dog in Tree

F. G. Stewart, an Alameda Ancient, has a few dogs that he has the record for. One of these dogs, a female, will climb up a tree in a grove adjacent to his place and sit on a limb as high as 20 feet up. She can climb almost as well as a raccoon, and often sits on a limb in the trees that it is necessary for her to get a squirrel out of a hole in the tree.

Wife of a Dog in Tree

If the child starts in the sleep, guided by the light of the stars, picks at the nose, has a bad dream, looks restless, and dark rings under the eyes, it has worms; and as long as they remain in the system, the child will be sickly. Child's Cream is a safe and effective remedy for worms, and cleans out the stomach, strengthening the stomach and bowels and puts the little one on the road to health and cheerfulness. Price 25c per bottle. Sold by Chas. N. Clarke.

Chronic Diseases
The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicines I have taken, Chamberlain's Tablets have done me more good than anything else," says W. C. Mattison, No. 7 Sherman St., Hornellville, N. Y. For sale by all dealers.

Few Forest Fires This Year

A remarkable record has been made the past summer in keeping down forest fires in the great timber areas of the northwest, it being stated on good authority that the total loss will be under 3,000,000 feet with a valuation less than \$5,000; this in comparison with the former low record of 26,000,000 feet in 1911. This splendid showing was made possible by the active cooperation of railroads, loggers, campers and land owners with the government rangers and the promptness with which all small fires have been located and put out.

Quick Help to Backache and Rheumatism

The man or woman who wants quick help from backache and rheumatism, will find it in Foley's Kidney Pills. They act so quickly and with such good effect that weak, inactive kidneys that do not keep the blood clean and free of the impurities that cause these symptoms, are toned up and strengthened to healthy vigorous action. You can not take Foley's Kidney Pills into your system without having good results. Contain no habit forming drugs. Chas. N. Clarke.

Notice to Merchants

All merchants of White Salmon and elsewhere are hereby notified not to honor Northwestern Electric Co.'s check in favor of William Roe for \$51, as same has been lost. This is done to protect merchants as payment on this check has been stopped by me. Wm. Roe, White Salmon.

Taking Toll of Babies
Each season of the year takes its toll of the babies, and to watch and safeguard from common colds and coughs is a matter of importance to their parents. To keep Foley's Honey and Tar Compound in the house and use it promptly is to save the little ones from the serious effects of these colds, to ward off croup, bronchial coughs, hoarseness, stuffy wheezy breathing and violent coughing spells. It is absolutely free of opiates and may be given to the little ones with no fear of harmful results. Beware of substitutes. For sale by Chas. N. Clarke
