THE KEWANEE SYSTEM OF WATER SUPPLY

Water for Your Country Home

No matter how far you live from the city, you can have all the sanitary conveniences of the best city water works system--an abundance of water, under strong pressure, for your bathroom, kitchen, laundry, lawn, garden--anywhere. Good fire protection too.

This splendid water supply service assured, if you install the

Kewanee System of Water Supply

The Kewanee Tank is located in the cellar or buried in the ground and the water is delivered by air-pressure. No elevated or attic tank to leak, freeze, overflow or collapse. The tank is made of steel plates and will last almost indefinitely.

We build the finest line of pumping machinery--the result of over ten years experimenting and practical experience. Kewanee pumps are operated by hand, gasoline engines, electric motors, etc. Kewanee Systems are complete. They are easy to install. Every plant sent out under a positive guarantee. Over 10,000 Kewanee Systems in successful operation. No charge for engineering service. Ask for complete Kewanee catalog.

A PRETTY DEVELOPMENT OF THE VEST THE SMART FEATURE OF SO MANY GOWNS

There is scarcely a frock nowadays constructed entirely of one material. Contrast is the thing desired, and there are numberless ways of bringing it about. The gown of figured or brocaded material usually has its accessories of plain faced fabrics and vice versa. The vest offers one of the most attractive ways of introducing a becoming color. A vest of Persian coloring goes far to make the dress of dark serge or silk becoming.

Nearly as popular as velvet are the pile fabrics, peau de peche, duvetyne, etc. They are rich and soft in coloring and lend themselves beautifully to the drapings of the moment.

A smart afternoon model developed in sapphire blue peau de peche is illustrated in 8060. The vest is of tullestry showing a predominance of old gold in the figure. The lace under-sleeve shows a pattern worked out in metal threads which is one of the new details of the moment. The frock closes in front, and there is an effective bit of draping on the skirt in back.

To make this model in size 36 it requires 3 3/4 yards of 54 inch material with 1/2 yard of brocaded material for the vest.

A plain tailored looking little frock of water proof home-spun is a very practical thing to have, especially if one frequents winter house parties and is fond of long tramps in all kinds of weather. A very smart model fashioned of this material is shown in 8020-7994.

This may be copied in size 36 with 2 1/4 yards of 36 inch material for the blouse (8020) and 2 1/4 yards for the skirt (7994).

No. 8060--sizes 34 to 42.
No. 8020--sizes 32 to 48.
No. 7994--sizes 22 to 36.
Each pattern 15 cents.

AUDIENCE ENJOYS SOUTHERN MELODIES

The big Asbury Methodist church was crowded Monday evening, when the Southland Jubilee Quartet gave a concert there, and the Southern melodies, rendered by the negroes, who had good voices, were appreciated by the people. The songs of Negroes are most appealing, when they sing them without training, in their own way, and the Jubilee singers were best when they sang such old time favorites as "Old Black Joe" and "Way Down Upon de Swanee River." However, their closing number, "Italia" was very good.

The program was varied. Piano selections were rendered and one of the members of the quartet gave readings from the poems of the negro poet, Dunbar.

Mrs. O. S. Fowler to Lecture Tonight

Mrs. O. S. Fowler will give the second lecture of her series on "Life's Deepest Laws," at Heilbronner hall tonight at 8 o'clock, taking as her subject "Brain the Tap-Root of Life." Tomorrow night at 8 o'clock her subject will be "Electricity the Great Elixir of Life," and Sunday, Nov. 23, at 2:30 p. m., "The Unveiling of the New Covenant." Last night's lecture was on "The Seven Primary Factors of the Mind," which proved to be deep and interesting. The lectures are all free. Mrs. Fowler, in conjunction with the lectures, will hold phrenological examinations and health consultations daily from 9 a. m. to 9 p. m. at Hotel Oregon, until Nov. 25. A new system of electricity to cure disease, chronic or inflammatory, taught in a class beginning Tuesday, Nov. 25, at 7:30 p. m. Five lessons will be given.

Mrs. Howe Visits Schools

Mrs. Alma Howe, a member of the city school board, visited every school in the city last week and the most of the rooms. "I was very much pleased with the shape in which I found every thing," says Mrs. Howe. "The Manual Training and Domestic Science classes are progressing nicely. The most interesting thing I saw was the fire drill at the Park street building. Thirty-eight seconds after the alarm was given the entire building was cleared for action. Both the Park street school and the Pleasant View school, where the little children attend, have outside stairways that may be used in case of fires."

O. W. R. & N. Will Make Improvement

The O. W. R. & N. will improve that portion of First street between their concrete sidewalk and the paving laid by the city. Crushed rock will be placed there. The city council will make an effort to have the rock coated with concrete, similar to the Hassam concrete paving.

Skin Sufferers--Read!

We want all skin sufferers who have suffered for many years the tortures of disease and who have sought medical aid in vain, to read this.

We, as an old established druggists of this community, wish to recommend to you a product that has given many relief and may mean the end of your agony. The product is a mild, simple wash, not a patent medicine concocted of various worthless drugs, but a scientific compound made of well known antiseptic ingredients. It is made in the D.D.D. Laboratories of Chicago and is called the D.D.D. Prescription for Itzema.

This is a doctor's special prescription--one that has effected many wonderful cures.

The effect of D. D. D. is to soothe instantly, as soon as applied; then it penetrates the pores, destroys and throws off all disease germs and leaves the skin clean and healthy.

We are so confident of the marvelous power of D. D. D. that we have taken advantage of the manufacturers guarantee, to offer you a full-size bottle on trial. You are to judge the merits of the remedy in your own particular case. If it doesn't help you, it costs you nothing.

D. D. D. Soap is made of the same healing ingredients. Ask us about it.
