New Suit and Coat Models

For the Ladies This Week

Select the style model of coat or suit you like best and then choose from our large assortment of new materials We show the new colors and new combinations Nigger Brown, Russian Green, lead in plain colors, blue, green and brown mixtures, are very desirable and make up into very pretty coats. We give you many more styles and colors to select from and you can have any cloth you choose made in the style you like best.

This beats the old way of taking things just as they are made or doing without. We can make coats to your order from \$15.00 to \$25.00 and our materials are all wool, new in every respect and hand tailored.

Let us show you what we can do for you in saving you money on a new coat or suit and giving you a much larger assortment to choose from.
