LARGE AUDIENCE AT "TRIAL BY JURY"

"Silence in the Court," and "He is the judge and a good judge, too," rang out in the Gilbert & Sullivan production, "Trial by Jury," played by local talent under the auspices of the Episcopians last Friday night at the Heilbrunner hall. This was given under the personal direction of J. Adrian Epping and Mrs. E. D. Kanaga. A satire upon the British courts of justice, with the scene an English divorce court, laid in one of these tribunals, the play is considered one of the cleverest, and from the musical standpoint, one of the most melodious of Gilbert & Sullivan's productions. A great deal of credit is due the local cast, directors and orchestra in interpreting this musical success.

AT THE HIGH SCHOOL

The H. R. H. S. football team and the Hood River Volunteer fire department gridiron stars are scheduled to collide tomorrow at Columbia park. The fire department management has not decided on its exact lineup yet, but the back field will be composed of Baker, Shay, Ford and Geg Franz. Ross will cover the ball at center and the line will be picked from Roger Moe, Harry Dolson, Bruce Grump, Culver DeGroot, Chas. Carson and Earl Franz. The high school players will be Mal Button, Jack Stanton, Fred Coslow, Lowell Nickelsen, Julius Jacobsen, Geo. Bragg, Allan Eginton, Paul Lancaster or Mark Moe, Karl Von der Ahe, Don Cochran, and Bill Tollman. Leonard Howard, Ben Breed and Clifford Porter will be out in suits as substitutes. The merchants, both of the downtown district and the Heights, have agreed to close from 3 to 5 p. m. Friday on account of the game. This will probably be the best and most largely attended game of the season. In view of this the management has set a general admission price of 25 cents. Enthusiasm runs high as the game draws near.

THE FIRST GAMES IN THE MID-COLUMBIA BASKETBALL LEAGUE

The first games in the Mid-Columbia basketball league which were scheduled to be played Dec. 18, when the local team was to play Stevenson and The Dalles was to play at White Salmon, have been cancelled. The White Salmon quintet absolutely refused to play The Dalles team so early in the season. Goldendale has also applied for admission into the league. In order to arrange for this no games will be played till after Christmas holidays. This will be a strong league this year. The Dalles and Stevenson are both visibly stronger than last season. White Salmon lost a center but acquired a new recruit for that position and claim to be stronger than last season. This delay in opening the league pleases Coach Crites very much. The local teams this year will probably be as follows: Abraham, Johnson and Bentley, guards; Mal Button, center, and Jones, Krohn, Cooper and Robbins forwards. In the second division LaFette, Breed, Page, Lewis, Moe, Shank, Imbra, Porter and Nunamaker are fighting for positions.
Miss Cecil Boyd, state play grounds expert has been working in the local schools the past week interesting the students in out door exercise. While she was here a class in folk dancing was organized which Miss Rich will teach in the future. If the class is successful it is planned to give a pageant in the spring.
The hot lunch plan, instituted last Monday, has already proven a success at the high school. A menu that rivals the famous "wheat bag" and a loaf of bread for five cents is now being served for 25 cents.
The students are planning a pre-game rally to be held after school today. It will be something in the line of a bonfire-hose cart combination.
The junior class of the high school will hold a class party next Saturday night at the home of Mark Moe, one of the members of the class.
A. L. Newton, of Eugene, who was formerly superintendent of the Hood River box factory and connected in business with H. F. Davidson, was here last week visiting old friends.
