The handsome trophies have been viewed with interest by a number of local people. The St. Mark's Guild dance, the last of their parties until after Lent, given at the Heilbronner hall last Friday evening was a most pleasant event. No programs were used, on account of the visit of a large number of The Dalles people who were here to see the basketball games between the Dalles high school and the local school. These visitors were complimented as guests at the dancing party. Music for the occasion was furnished by Chandlers' orchestra. The Ladies' Aid of the Congregational church will give an Easter luncheon in the dining room of the church Saturday afternoon, April 3, the day before Easter, from 1 to 5. Wolverson, who died in Portland on Feb. 12, after an illness of three months, aged 28 years. Mr. Wolverson formerly lived in Hood River and was in the employ of the Pacific Light, Power & Water Company. He was a son of one E. Wolverson, of Monmouth and a nephew of U. S. District Judge Wolverson, of Portland. Deceased's mother, who was a sister of Mrs. Hershner, died in 1905. Beside Mr. and Mrs. Hershner returned home Wednesday evening.

The dancing party given at Heilbronner hall last Thursday evening by the lodge of Loyal Order of Moose will form a pleasant memory for the members of that organization. The Moose members plan a series of these entertainments. In the near future they hope to give a minstrel show. The Moose have leased the second floor of the Monroe building, where club headquarters will be maintained. Mrs. W. M. Stewart entertained the Evening department of the Woman's club at her home on State street Wednesday evening last week. Mrs. D. G. Jackson assisted Mrs. Stewart in receiving. The program of the evening was in charge of Mrs. W. W. Rodwell. Mrs. W. H. Young and Mrs. J. P. Lucas. Mrs. Minnie Vonder Ahe will entertain this department of the club next Wednesday evening. Past Due memory refreshing stamps have been added to our ready made stock. They are neat in appearance and the wording is to the point. Ask to see sample. Dresser-Mohr At a nuptial high mass at the St. Mary's Catholic church at nine o'clock Tuesday morning Miss Marie Mohr, the charming daughter of Mr. and Mrs. Peter Mohr, pianist of the Pine Grove district, became the bride of Edward Dresser, a prominent young rancher of the Upper Valley. Father Burchard Dietrich said the nuptial mass. A large number of the members of the congregation and friends and members of the two families were present. Immediately following the wedding ceremony the bridal party proceeded to the Pine Grove home of the bride's parents, where a sumptuous wedding dinner was served. Mrs. M. B. Gilles played the wedding march on the church organ, as the bridal party entered. Solos were rendered by Miss Rose Haas. Miss Marie Dresser, of Portland, was maid of honor, and Peter J. Mohr, brother of the bride, was best man. Mr. and Mrs. Dresser left Monday afternoon for Portland and will spend their honeymoon. They will make their home near Parkdale in the Upper Valley. "Toby" Now a Benedict The wedding of T. Hachiya, better known to Hood River people as "Toby," to Miss Marjorie, who had just arrived from the land of cherry blossoms, was solemnized in Seattle Monday. He, however, will hereafter be Mr. Morioka, since according to the Japanese custom he will take the bride's name. "Toby," who for the past five years has been janitor at the O.-W. R. & N. passenger station and who has carried the mail between the station and the postoffice, and his bride returned home Tuesday night. Their local Japanese friends had prepared a little feast in honor of the occasion. "Toby," who has been a faithful servant, never having missed a day from his post, until he left to meet his bride, has many American friends who wish him and his bride the best of wealth, health and happiness. Hydro-Electric Bill Killed Monday the senate killed the Hydro electric bill providing for public utility districts, which had been passed by the house. The Oregonian states that the most ardent supporters of the bill admitted that it was 10 years ahead of its time and that it was classed as an experiment. The trend of the Oregonian's articles point to a gratification that the bill was killed. The Portland Journal, however, states that the bill was killed as a result of the opposition of big business. Odell Team Loses The Odell Athletic Association basketball team was defeated 52-13 by The Dalles Commercial club team last Saturday night at Odell. The Dalles team was composed of Yonke, Tyler, Philpot and Steers, of The Dalles high school team in addition to Coach Gronewall and Hollis Huntington, also a D. H. S. student. The Odell team was as follows: Davis and W. Sheppard, forwards; C. Sheppard, center; and Hale and Lafferty, guards. The game was interesting at times despite the one sided score. Library Report Brings Pride The report of the State Library Board to the legislature has been a source of pride to local citizens; for the report contains but three institutions, all of the local institutions, which, according to the report, is a model institution in a model home. The report contains figures showing that local people are making use of their books, the reading of Yonke, Hood River people are among the greatest readers in the state. Automobile Sales Begin The spring automobile sales have begun. The Columbia Auto & Machine Co. last week sold two cars—a Dodge to Dr. W. R. Collic, of the East Side; and a Ford touring car to D. G. Cruikshank, of the 5, 10 and 15 cent store. The new Dodge touring car is now being demonstrated here. No prettier or trimmer machine has ever been seen in the city. The company is expecting heavy sales of Dodges. Percentage column of basket ball league: Stevenson, won 3, lost 1, per cent 750. White Salmon, won 3, lost 1, percent 750. The Dalles, won 1, lost 2, percent, 333. Hood River won 0, lost 2, percent 0. The Hood River quintet will entertain the White Salmon team here tomorrow night and will try to oust them from their position at the top of the percentage column. The two teams played the first game in the league this year and Hood River lost 30-5. However, the local team did not play the game at that time as fast as they play it now. White Salmon was whipping Stevenson at White Salmon last Friday night at the same time that The Dalles was performing here and Coach Crites realizes that his team is not going to have a pink tea to attend here. The local team has been whipped more regularly the past season and so far this season than any other team in the league. They are a fine looking bunch of toppers on paper but The Dalles had everything on them last Friday night. A team will be picked from James, Thomas, Abraham, Johnson, Lewis, Button and Cooper to perform against White Salmon. It is probable that Hicks Button will break into this game at center in an effort to break the losing streak. Mary Sheppard scored first and Aileen Tomkins second at the debate at Literary last Thursday night. The question debated was, "Resolved, That the Fifteenth amendment to the constitution should be repealed." The amendment refers to the enfranchisement of negroes. The debate was won by the affirmative. The two others in the debate were Laurence Herliem and Harold Blackman. It has been found that the masculine polemics at H. R. H. S. are always defeated when they enter into competition with the weaker sex, which only goes to show that you can't argue with a woman. In order to make it possible for a few of the boys to get in the finals for the Women's club cup the plan is being followed this year of having boys' teams debate against one another. The junior class replenished the class treasury by the sum of \$15 last Saturday when they held a candy sale at Wood's grocery. The money is to be used to entertain the seniors at the annual junior-senior event next month. Miss Allison Johnston, who arrived here last week, to teach in the place made vacant by the resignation of Miss Flora Furrow, decided that the overseeing of a bunch like the H. R. H. S. students was too strenuous a life and she, herself, resigned last Friday morning. Mrs. Phil Carroll, of Oak Grove, who was a pedagogue at Albany high school before her marriage, is now holding sway over the fourth year delegation. Mrs. Carroll is already a popular teacher and the students will have no difficulty in finishing out the year. Dr. H. L. Dumble presented the high school with a marble bust of Lincoln on Lincoln's birthday last Friday. The big question now up at the high school is whether to locate the bust so that it will not be broken. The high school has no case where they can put their cups and trophies on exhibition. A move was started last year to provide something in that line and it is probable that one will be supplied some way now that they have this surplus masonry to take care of. The Parent-Teacher Association will meet at library hall tonight. This is an opportunity for the parent and pedagogues to get together for the betterment of the school and the meetings should be and are well attended and interesting programs is arranged for this evening and all are invited. Clarence Hale, the snappy forward of the Odell Athletic Association who plays on the Odell Athletic Association team entered H. R. H. S. yesterday. Hale practiced with the high school quintet yesterday afternoon and may get a chance to show what he can do against White Salmon tomorrow night. He is enrolled in the sophomore class. The basketball game tomorrow night is the last one the team will appear in here at home this season, and consequently the H. R. H. S. rooters are getting in fine trim for the game. The next two games will be at Stevenson, Feb. 25 and the season will be finished at The Dalles March 5 or later. The Dalles team has played no games on its own floor so far this season, as the new high school and gymnasium now in course of construction there will not be completed before March 5. The Dalles quintet is picked by many who saw the game last Friday night to finish on top again this year. At a meeting of the track aspirants last Friday Fred Coshow was elected temporary track captain. The spikers will turn out soon for cross country running so as to get an early start this season. Veteran track men who are back in line this year are Thomas, Imholz and Stanton, sprinters, Pape and Jones, vaulters, Thomas and V. Jones, high jump, Cooper, weights, and Stanton, broad jump. Other promising men are Hale, Button, Pape, Coshow, Lancaster, Regnell, Lafferty and Abraham. Thomas won first in all the sprints in 1913 against The Dalles team and is picked as an easy winner this season. Altogether the prospects are good for giving The Dalles track team a hard run for track honors this spring. Call for Charity The great destitution at present afflicting so many Oregon families through lack of work, particularly in the larger cities of the state, has brought to us a most earnest appeal from the Associated Charities of Portland, to do what we can to relieve the situation. We here respectfully appeal to every reader of this paper to do all possible to give at least temporary work to the unemployed. Just bear in mind that women and little children are the most seriously affected by the present great distress, resulting from unemployment of the bread winners of families, and we ask you to do all within your power to give at least temporary work to the unemployed. In both town and country there must be many of our citizens who can do something to help the needy. Every precaution will be taken to prevent the unworthy being imposed upon; and, no matter what may be the nature of the work you have to offer, whether for man or woman, please write at once to the Associated Charities at Portland, and they will do the rest. Farmers, logging camps, dairies, orchards, packing houses, land clearing, grading—in fact, anything that will temporarily afford food and shelter for the destitute will be greatly appreciated by this paper, and especially so by the Associated Charities, whose burden is now so great. Associated Charities, Commercial Block, Portland, Ore. Main 7061. Church of Christ Next Sunday morning and evening we will preach on themes which will pay you to hear. Always a welcome to all. H. C. Clark, Minister.
