### THE LOST LAKE ROAD

on road to Lost Lake was evidenced tributes. The graves of departed vetlast week by the many signatures seeured to petitions circulated by citizens

petitions, citizens from all parts of the county. The Lost Lake road has been surveyed and ordered open. The accessibility of the beautiful mountain upon the graves. Ritualistic services Mr. Dieck, one of the members of Portty court.

Despite the almost impassable trail that leads to Lost Lake at the present time, many local people spend weeks HEAVY RAINS IN THE camping on its shores during the summer months. When a road is built there it will be one of the most popu lar places in the confines of Hood River

sary for such construction. Yet the The streets of the city were flooded, sentiment is such that, if the court can and berry tracts were so saturated that not see their way clear to make an appropriation for new road building, they can at least endeavor to open the old road.

It is stated by shippers that the rain, except for spoiling the ripened fruit for shipment, do not cause heavy damage. "One of the rules of the grow-see."

### THE VACANT LOT GARDEN

an ideal condition if every unoccupied best plan.

The orderly rows of thriving vegetables, the beans, the peas and reached good size. The delay was not later in the year the rank growth of crop it may be of benefit to the local grass and weeds, having no care and growers, not being irrigated, hegin to dry up.

They soon become as dry as tinder, and WAUGH ENTERTAINS a careless pedestrian, tossing away a burning match, may cause a dangerous

The vacant lot gardens bring pleastheir care. One lot will easily produce enough vegetables for an ordinary family. Digging in the soil the man who is raising such a garden is made glad by the pure joy that can be attained in no other work—he is enjoying the earthy perfume that rises from the soil as he stirs it, and is watching the soil as he stirs it, and is watching the things he has planted grow from tiny plants into great green rows, producness Man, get a garden.

### FORD JOYS

We note that Fords now number Seventy-five families and the friends of ing the Portland physicians. 75 families are enjoying the pleasure of outings wherever they wish in the MORLAN TO HANLDE valley. The cheap, but efficient, little automobiles, small yet powerful, make it possible to go quickly wherever their owners wish. Thus the joys of these owners and their friends are ever increased and at the same time their health made better. For what is a betevidences of healthfulness and happi-
