A CHANGE DEMANDED!

For five years I have been doing business in my present location--but now conditions demand a change. I have secured a lease on the room now occupied by Walters Bros.' barber shop in the Brosius building, where I will open July 1st with a complete line of Ladies' Furnishings and Dry Goods. I am going to make this an Exclusive Ladies' Store and feature a complete, up-to-date line of Ladies' Apparel. The purpose of this sale is to reduce my stock and close out such lines as I do not intend to carry in my new location. Prices will be slaughtered beyond comparison to accomplish this result. Never before have you been offered an opportunity to buy good, staple merchandise at prices equal to these. Every article goes on sale without reserve during this **Gigantic Removal Sale**. Make a list of your needs and let us show you where you can save **fifty cents on every dollar** spent here during this
