Hood River Abstract Company

We Want More Cream
To those of you who are contemplating going into the dairy business we would suggest and urge you to start at once. The season for the higher prices for cream is almost at hand, and we need the CREAM.

While our receipts of cream are still on the increase, we are the sale of butter. And we desire to increase our trade. We are not content with simply keeping the butter money at home. We want to bring in money from outside also. We have markets waiting for us that we cannot supply.

WE ALSO SELL ICED CREAM

To Young Men
Youth is the time to prepare for old age. Not much growing to the young man as we will not attempt it.

The average man in this age of the present. No one is too big to die, but the one out of two today will be the wealthy, comfortably fixed man of commerce. Young men it is worth thinking about if you would only do one thing and one thing you will never have come to regret.

Hood River State Bank

FORD
THE UNIVERSAL CAR
Buying the conference, each retail layer of a new Ford car, between August 1818 and August 1917, will receive from 150 to 350 as a share of the Ford Motor Company's profit. The Ford car is everybody's utility, because it is easily adaptable to everybody's work or play. It is reliable, serves everyone and brings pleasure to all. An economic bath, it saves money—an average cost of two cents a mile to operate and multitudinous.
