Attention Called to Play Ground It has been brought to our attention that there are still people in Hood River who do not know that we have a

free public playground. More than 70 different children enjoyed it last week, and we should be glad to see more.

If the little girls will bring a small doll and some scraps of goods they will be taught something of sewing. We also read to them when it is too warm to play and have a new basket ball for games. All come and enjoy the play ground from 2 to 6 every afternoon except Sunday. A young lady is in charge. Committee.

Fire Losses in Hood River Numerous We have had more losses this year to late than in any year heretofore. Hazards of fire are increasing; especially are they greater this time of year. We find many instances in both city and country where no fire insurance is carried. Always after the fire there are a few peo-ple in the immediate neighborhood who think of fire insurance, and some take out policies. But why wait for the fire, it might have been you who burned out

out a policy today. Reed & Henderson, Inc., phone 1331.

Sealed bids will be received at Wyeth, in existence as have passed through Oregon, by the undersigned Clerk of the city. Residents of Cascade avenue School District No. 15, until 7 p. m., have lost count of the cars on a single July 24, 1915, for the building of an additional room to the school house. Plans and specifications may be obtainable at the residence of Mr. A. C. Pestel, Wyeth Oregon. The Board of Directors re-GEO. W. STOKOE, Clerk. serves the right to reject any and all bids

### Hood River's Oldest Home Razed

The old home of William Penn Watson, who over 40 years ago purchased property from Henry Coe, one of the founders of the town, is being razed by J. F. Batchelder, the present owner, who is preparing to erect a modern bungalow on the spot. The home place of Mr. and Mrs. Batchelder, occupied the past winter by Mr. and Mrs. Ralph Root, is on the site formerly occupied by the family of Mr. Coe.

## Tuesday Warm Day

Yes, it was hot. E. W. Birge reports a maximum temperature of 97 degrees for Tuesday. The humidity was greater than unusual, thunder storms threatening, and many beads of perspiration were shed.
