### Edison Week--Oct. 18th to 23rd

The whole country is celebrating Mr. Edison's great achievement this week. The new Edison Diamond Disc Phonograph is one of Mr. Edison's greatest and his pet invention. This perfect musical instrument is the result of 4 years continuous research by the master

#### Special Concerts Each Day

We have arranged for special attention to this music each day. Come any morning, afternoon or evening. Bring your friends. Hear Mr. Edison's favorite selections -- he has twelve of them -- judge for yourselves if this is not re-created music, instead of Talking Machine Production.

We have a fine line of these new machine on display. Look them over. We sell on installment plan, and place these machines in your home at the same price you can buy at Portland or Chicago and you pay the frieght.
