"Fruit is fruit, and what has been done with the bananas can be done with your apples. There are but four considerations—Excellence of product, joint marketing, cooperation and ad-

Underwood Prospects Stimulate The prospects of an open automobile road along the north bank of the Co-lumbia all the way to Vancouver, has proven a stimulus to business in Underwood, according to D. P. Gillam, secre-tary-treasurer of the D. G. Jackson Co., of that town. The Skamania county commissioners will let a \$40,000 contract, including the work of opening up a stretch of road surveyed from Mill A to Underwood, on March 4. With the exception of some short stretches near Stevenson, this is the last lap of unfinished highway along the neath side of the river.

the north side of the river. All obstacles will be removed by early summer, and Underwood citizens are planning a gala event on the day they welcome the first through automo biles over the new highway.

Assessors' Meet Good, Says Wickham

"The Salem convention of Oregon tax assessors was the best we have ever had," says Jasper Wickham, who returned the latter part of last week. Mr. Wickham says that the Salem people and especially the Commercial club exerted themselves in showing the

visiting officials a good time.

Mr. Wickham delivered an address
on methods of assessing fruit and orch-"I find that Josephine and Dougles counties use methods parallel with our own," he says. "The land is assessed as agricultural land until the trees are three years old. Then the value is gradually advanced till the trees reach
