When the final judgment comes is usually lacking. Somebody loses money, and the high schools are given discredits in the husiness world. At and the bills must be paid, the treasury discredits in the business world. At An effort has been made to select a lesst, such predicaments may be found moonlight night, in order that ranchers on an average at the close of every ath- will not be inconvenienced, letic season, or toward the wind-up of made, the proceeds to go toward the the affairs of a student publication.

It seems to us that students should be taught the principles of business, Business integrity, frank dealings, the value of credit learned in high school cinct committeemen and all other days would never be forgotten. The Democrats interested in the approachstudent should be made to observe rigid ing presidential campaign at the office of A. J. Derhy, First National Bank business conventions just as though he were at the head of a private business o'clock.

J. H. Hazlett, enterprise on his own behallf. He should be made to consider debts contracted for his school societies as obligations just as pressing as those of a business man of the town. He should be made the Pine Grove grange minstrels will to know the stigms that attaches to a sgain render a program at the grange Columbia Highway at Mitchell Point pecially that portion around Mitchell promise unfulfilled. Imbued with such atile artists of the grange have brought principles through the days of his school career, he would enter life as a success is predicted for the coming and upkeeping of said road or roads and upkeeping of said road or roads are by a written contract to make citizen well grounded and with ideals event. that would be assets. Instead the high school graduate too often starts into a lax business morals that surround him in his school days,

The city council has tabooed too taps to signify the section of the city in which the fire is located be worked out. Several attempts have been made by the firemen to establish some such rule, but none have ever been carried steelhead one day last week.

Dr. and Mrs. Williams Celebrate

One of the most pleasant of Hood River's recent social events occurred steelhead last Saturday evening when Dr. and Mrs. F. C. Brosius became the charming hosts, at their residence on Oak street, to the Neighborhood Club and other invited guests, who met to celebrate the 48th wedding anniversary of Dr. and Mrs. J. Williams.

The home was beautiful with a profusion of sprig blossoms, none of which surprassed the charm and beauty of the bride, nor the captivating dignity and chivarly of the groom of 48 years

The evening was spent with music

many years of their married life on their fruit farm near this city, and Hood River's citizens, a great host of best interest of the people in general. whom wish them many returns of this happy event.

Columbia Stationary

At a stage eight feet above the low water mark, and a record height for this season of the year, the Columbia is remaining fairly stationary at this point. The high water is welcomed both by Mid-Columbia transportation men and the local ferries. Boats of the latter systems are able to land at points more convenient for the patrons Running on alternate days between Portland and The Dalles, the Dalles City and Stranger, steamers of the Regulator line, have begun their regular season's run.

Mount Hood Line Open to Dee

Slides and freshets, however, have carried away a bridge and treatle work south of Dee and it will be the first of next week before repairs at To the voters of Hood River and Wasco bonding our county to build said Col- American business to be subject to sumed to Parkdale.

Trout Lake Man Buys Cows

Geo. Jennings, of Trout Lake, last week purchased from Al Jones, a herd of four Holstein cows. The animals were formerly a part of the herd of C.

The cows were tested Monday by Dr. M. E. Welch, who found them in perfect condition.
