

Pacific Fruit and Produce Co.

CASH BUYERS

We are desirous of making arrangements to buy Hood River fruit for CASH. We shall soon open a permanent office at Hood River, the same to be in charge of Mr. R. R. Gill, who temporarily can be found at the Oregon Hotel.

We wish those who expect to have fruit to market this coming season would investigate our proposition. We shall not ask anyone to sign contracts with us. It will cost you nothing to join our selling organization and should you not like our style, it will cost you nothing to quit. We bought a few cars of Hood River strawberries last season, paying from \$2 to \$2.35 per crate, and found the business profitable. Our operations in the past have been largely confined to the Yakima Valley. We gladly refer you to any fruit grower in that valley.

We challenge any shipping organization that was ever hung together to match the average of our returns. Ask your banker to advise you regarding our responsibility. When you sell us fruit you don't go home without your money.

If you MUST and WILL consign your fruit, we will make liberal cash advances and handle on consignment, but we do not commend the practice. We operate in forty different towns and cities and have responsible and competent representation in others.
