The firemen game was postponed un-til tonight so as to give more people the chance to know it is coming. Early in the season the high school defeated the firemen 38-32 and the firemen are hitting the high places, namely, bas-kets. Our team is the strongest we have had for several years. The team that will play tonight against the fire-men won the first basket ball game for H. R. H. S. in three years. All the school is agog over the game tonight. Wednesday morning assembly was de-voted to the coming game. The play-ers spoke, members of the student body and the faculty spoke, cheers were given and nothing can be heard but Firemen vs. H. R. H.
