HIGH SCHOOL NOTES

By Betty Epping The game between H. R. H. S. and the firemen last Thursday night came out in favor of the latter. The game was the most hotly contested game played on the local field this year. At the end of the first half the score stood 12—12. During the second half both teams played with the fury of a whirlwind. After a few minutes' playing the firemen threw a foul, making the score 13—12, then a field basket, 15—12. H. R. H. S. climbed up until the score stood 17—15 in her favor.
