The Most Beautiful Car in America

Introducing

## "THE MOST BEAUTIFUL CAR IN AMERICA"

On January the First, and at the leading automobile shows, we introduced what we sincerely believe to be the most beautiful car in America.

This, we admit, is a bold and sweeping statement.

It is probably the most sensational announcement that has ever been made by a manufacturer of medium priced automobiles.

But we mean precisely what the words imply, and only ask that you reserve final judgment until you have seen the New Paige with your own eyes.

It is not our purpose, in this advertisement, to describe one single detail of the latest and greatest Paige Achievement.

We merely invite you to visit the nearest Paige Representative—key your expectations up to the very highest pitch—and determine for yourself whether or not we have been guilty of exaggeration.

A moment's reflection, however, must convince you that we would not and could not make any such claim unless it were substantially correct.

Our entire reputation and position in the motor car industry depend upon the accuracy of our public utterances.

Knowing this, it is not likely that we would voluntarily assume responsibility for a statement which could be refuted to our everlasting discredit.

If, though, you are still inclined to doubt, please remember that Paige has been one of the truly creative factors in the motor car industry.

From the very beginning our body designs have been absolutely unique and refreshingly distinctive.

If imitation is the most sincere form of flattery, we should indeed feel elated, because it is generally admitted that Paige designs have served as the models for practically every quality car in the industry.

Nothing could more strikingly emphasize the fact that Paige has always built beautiful cars—and can be logically expected to produce—"The Most Beautiful Car in America."

So far as the mechanical features of our product are concerned, you need only consult the thousands of owner records which have been established during the past seven years.

The Paige motor and chassis are world famous. They have been developed by the ripest engineering genius that the industry affords.

In them we have incorporated every improvement, every refinement that could possibly increase the efficiency of a smooth running, ever dependable motor car.

As we have said time and time again, you can only expect to get out of an automobile precisely what the manufacturer puts into it.

There is no substitute for basic quality. To build the truly great things in this world one must work with his Heart quite as well as his Hands.

But for the present, we are going to say no more.

When you—and other Americans like you—stand before the latest and greatest Paige achievement, our case will be in the hands of the Jury.

So, please remember this advertisement at that time—every word of it—and determine for yourself whether or not our claims are justified.

In justice to your own interests, make it a special point to see "The Most Beautiful Car in America."

### CASCADE LOCKS.

The body of Jim Stewart was brought down here from Hood River last Thursday and buried in Cascade Locks cemetery. The services were held at M. the E. church, conducted by Rev. A. E. Macnamara.  
N. A. Pallas, one of our railroad section men, went to Portland Wednesday to enlist in the navy. As he had only his first papers he was rejected. He then tried the army, but as one eye was a little off he was rejected there.  
We have about 15 young men who ought to enlist. They would make fine soldiers.  
The Locks Trading Co. has erected a fine flag pole in front of the store.  
The mill started up Saturday after a shut down of four months. Many of the old hands have returned and are at work.  
T. C. and Arthur Benson, from Portland, and O. P. McGee, from Glendale, passed through town Friday.  
Mr. and Mrs. E. P. Aah came over from Stevenson Thursday to attend the funeral of James Stewart.  
Miss Eileen Tomkins came home

### THURSDAY AFTERNOON

Thursday afternoon to attend the funeral of James Stewart.  
Albert Wesendanger, a forester, is again on deck at Eagle creek for the summer. Good.  
We understand Clarke W. Thompson has enlisted. Good for Clarke!  
Allen Conlon is cutting some dash with his new Ford.  
J. R. McCusker, from Hood River, has rented a house from Wm. Frazzelli.  
Myrl Yettuck has quit his job at the depot and gone to the mill.  
G. Elliff is watching at the Locks. Dell Elliff is running J. C. Woodward's dray.  
John Mattson has resigned from the steamer Umattilla and will engage in fishing this season.  
H. W. Taylor has completed the road work west of town and is now engaged in graveing the road east of town.  
The baby of T. H. Harrison had the misfortune to fall off a box and break its arm. Dr. Dittbrandt promptly repaired the injury.  
Still it rains.

### TROUT LAKE.

C. F. Coate was a Hood River visitor lately.  
Ralph Richter and family have moved to Husum, where they will live on the John Haley ranch.  
The Christian Endeavor social at the church the evening of the 13th was well attended in spite of the inclemency of the weather. We understand about \$10 was taken in.  
Chris Galer was a White Salmon and Hood River visitor lately.  
Amelia Yost, who has been attending school just out of Portland, is home for a visit.  
Commencing Wednesday evening, April 25, grange meetings will be on the second and fourth Wednesday evenings of each month during the summer.  
N. N. Hawley has sold to J. E. Burdett one-half of his farm at a satisfactory cash figure. The fact that Mr. Burdett knows general conditions and is a land owner here speaks well for Trout Lake.  
During the past week Portland jobbers have been phoning our growers for hay, and sending their buyers out to close deals. Hay prices are on the

### CHENOWITH

April 10.  
Mrs. E. Walther and children were home for the Easter vacation. Mrs. Walther stays with her children in Vancouver, where they attend school. Happy the children seemed to be romping about their country home.  
The Easter bunny visited many homes on Easter morning and happy were the faces of the little tots as they displayed their many colored eggs.  
Dr. Geary, of the Highlands, spent Easter in Hood River with his family, who have recently moved there.  
B. F. Beale made a trip to Vancouver during the week. He reports things look lively there.  
A large new flag has been ordered for the school house and all citizens are eager to float the colors from their

### RESPECTIVE HOMES.

Allie Beale was in Hood River Friday.  
Jas. Morby has taken a contract to clear some land for the Highland Apple Co.  
Mr. and Mrs. W. B. Young were out enjoying the pleasant Easter weather.  
The Watkins man was around with his wagon of supplies last Friday. Although he found the roads in bad shape, he came right through, calling on us all.  
**Safe Medicine for Children**  
"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. The remedy is most effectual in relieving coughs, colds and croup. Obtainable everywhere.
