**No Baits** or undue boastfulness and exaggerations are being used to make the Unloading Sale believable. Conditions over which we have no control compel us to sacrifice our entire stock and raise money at once. *Please bear in mind, the best things were not for one day only, but every day, in every department, you will find new and attractive offerings to replace any article or lot of merchandise sold the previous day.* We have proven daily to every person visiting this store, that this great event is helpful to the shopper whenever Dry Goods, Men's Women's or Children's Furnishing Goods of any kind are required. It is not to be confounded with special sales on certain lines for one or two days only. This Unloading Sale offers absolutely every article in our store (the style and quality of which are well known and recognized as the best that money can buy), all at substantial reductions in every instance. The careful shoppers, the people who understand quality and good merchandise, appreciate the importance and remarkable economics offered by this store, and are buying as never before. It's continued success is obvious assurance and we guarantee the integrity of its offering. *Remember, quality is long remembered after the price is forgotten. So why buy inferior merchandise when you can get the better quality for less?*

## RED CROSS WORK IS UNDER WAY

The educational committee of the Hood River Chapter of the American Red Cross, under the chairmanship of Mrs. E. R. Moller, has completed the preliminary plans for the commencement of the actual Red Cross work in Hood River and several of the country districts.

The making of surgical and hospital supplies will be started today (Wednesday) at the Commercial Club at two o'clock. The sewing and distribution of supplies will be in charge of Mrs. Trafford Smith and the making of surgical dressings in charge of Miss Josepha Stampfer, superintendent of the local hospital.

Mrs. Smith and Miss Stampfer were in Portland the past week receiving instruction in the Red Cross work from Miss Maybelle Feuser, who came direct from the National Red Cross headquarters in Washington to get the work under way on the Pacific Coast.

Miss Stampfer has also received appointment as official Red Cross nurse for this district authorized to direct the instruction in this line of work here. Her appointment came by telegram from Miss Clara D. Noyes, Director of the Bureau of Nursing Service.

Every Wednesday and Saturday afternoon will be devoted to the making of the surgical and hospital supplies in Hood River. Ladies are requested to attend as often as possible, bringing their own working implements with them, such as needles, scissors and thimbles.

The Canby Relief Corps has very kindly volunteered to assist in this work and as many members as possible can will attend these meetings.

At Pine Grove the work will be done every Friday afternoon at two thirty o'clock at the Pine Grove church, under the direction of Mrs. Dr. Thrane and Miss Eula McCully.

Friday afternoon is also the time selected at Odell. The High School auditorium will be the place and two o'clock the hour. Mrs. Allison Fletcher will be in charge of the

work in this district.

In making its first public announcement, the Educational Committee has the following to say: "As there is the greatest need for absolute uniformity of all work, ladies of Hood River county are urged to cooperate fully with those in charge of their respective districts. You will have to make some sacrifices, it is necessary, to get your share of the work done at the central meeting places. This is going to be an era of sacrifices and every one of us will be called upon to do our duty. For obvious reasons it will be a physical impossibility to establish small supply centers all over the valley."

Classes in first aid work for both men and women are now being organized. Those taking these courses are not obligated to serve in any way. The fee is 50 cents to cover cost of certificate and examiner's fee.

In Odell Dr. Dutro will be in charge of the instruction. Anyone in that district desiring to join the class should communicate with Mrs. Allison Fletcher or Dr. Dutro not later than Friday, May 4.

In Pine Grove the instruction in this branch of the work will be under the direction of Dr. Thrane.

In Hood River Dr. Sifton has a class already organized, composed of High School girls. There are some vacancies in this class and anyone wishing to join should get in touch with Dr. Sifton at once.

Dr. Waugh will also have a class in Hood River, which will meet for the first time on Wednesday evening, May 9, at Dr. Waugh's office.

Those desiring to take these courses should communicate immediately with Mrs. E. R. Moller or any of the members of the Educational Committee. Other classes will be formed as soon as the membership warrants.

## HIGH SCHOOL NOTES

By Betty Epping

Don't forget the "Lost Necklace" operetta put on by the H. S. glee club tonight at the H. R. S. auditorium. Admission, children 25c, adults 35c.

Last Thursday the class pictures, mascot staff, class play, track and baseball pictures were taken for the annual Mascot.

Monday afternoon we lost six more of our most prominent boys. A special assembly was held for them at 10

o'clock. Mr. McLaughlin presented each with a silk flag. Those who left are Yale, McCarty, '18, Karl Vonder Ahe, '17, Art Lofts, '17, Lowell Nickelsen, '18, Roy Dark '19, and Sid Car-nine, '17. Lowell Nickelsen has joined the navy and the others will try for the aviation corps. All have passed the preliminaries and are now in San Francisco.

Lee Spaulding is taking engineering in the Marines. Howard Wilden, Clifford McDonald and Bill Tolman are all yoesmen in the navy and reports from them say they are all content.

Mr. Munkies is taking Cliff McDonald's place and Mr. Crites Karl Vonder Ahe's place in the class play,

"Green Stockings." Last Thursday's literary was a grand success.

Last Friday our baseball team journeyed to The Dalles for a practice game. As time was limited only seven innings were played. At the end of the seventh the score was slightly in favor of The Dalles, 6-7. Never mind, we may hook 'em yet.

Last Wednesday the sophs defeated the juniors in baseball, 3-2.

The members of the junior class have received their class pins. They are beauties, made of green gold.

**New Parkdale Store Built**

A new two story store building has been erected at Parkdale according to J. F. Thompson a citizen of the Upper Valley town, who was here Monday on business. The lower floor of the new place of business will be occupied by J. H. Shelrake, who will open a general merchandise store there next week.

The second story will be devoted to a large assembly hall, which will be used by the Parkdale grange for its regular meetings. The Mount Hood Lodges of I. O. O. F. and Rebekahs, according to Mr. Thompson, will also hold their meetings at the new hall.
