BUY THRIFT STAMPS

The spirit of Benjamin Franklin, we apostle of thrift as a national habit and they started after the German law. scheme

cies naturally, but his 10 rules for they were securing pictures of our thrift are worth reading. He says: camp

1. Behave toward your purse as you would toward your best friend. 2. View the reckless money spender tion Corps. He is also training in

as a criminal and shun his company. Dress neatly, not lavishly. A

France

bank pays a higher rate of interest than your back.

4. Take your amusements judicially

-you will enjoy them better. 5. Don't throw away your crusts; cat them. They are as strengthening of Part as beef. 6. It is more exhilarating to feel money in your pocket than liquor in 6. It is more exhilarating to feel money in your pocket than liquor in 1. M. Boekee, of Patterson, N. J., " writes Mr. von Hacht, member of the 24th Engineers, " a copy of Anthony Euwer's 'Rhymes

7. Remember it takes only 20 shill-ings to make a pound, and 12 pennics to make a shilling.

8. You can sleep better after a day's hard work than after a day's idleness.

Always get good value from to send her the esmen. They get good money My appreciation. My wor Hacht tradesmen. from you. There is as much pleasure in

reading a good bank book as a novel. Follow the recommendations of Ben-

jamin Franklin and adopt the rules of Harry Lauder and buy thrift stamps. You will never regret the move. Go Carson, is now in training for aerial now and get the habit.

OUR FIGHTING SCHOOLBOYS

Yesterday the students and faculty tives and friends of the boys in the the aviation field to be called by name. service gathered to dedicate the high "proved to be Olin Spaulding, who enschool service flag. SPRAYING MATERIALS

ORTHO ARSENATE OF LEAD, both Paste and Powdered, made under special patented processes. Highest award at Panama-Pacific International Exposition, San Francisco, 1915.

Expert chemists are in charge of our plant, whose duty it is to analyze each batch of Arsenate of Lead, and see that it is of correct chemical composition.

ORTHO ARSENATE OF LEAD stays up in suspension; mixes easily; covers thoroughly; and sticks to the foliage. Guaranteed to measure up to government specifications.

ORTHO ARSENATE OF LEAD is made on the Coast--- no long freight hauls.
