J. L. ALLEN IS ACQUITTED BY JURY

Out but 15 minutes the jury in the Allen arson case Thursday afternoon, on the first ballot, returned a verdict of not guilty.

No criminal case has ever aroused a greater sensation in Hood River county. The defendant, Rev. J. L. Allen, was formerly for two years pastor of the Baptist church, the pastorate of which, according to Mr. Allen's testimony, he resigned last fall because of alleged slanderous remarks of members of the church. A few days prior to his arrest Rev. Allen filed a suit in circuit court, asking damages from two aged members of his church, Mr. and Mrs. Marshall Hill, whom he accused in his complaint of circulating stories that attacked his character. Following the criminal proceedings, Fred Everson, of Portland, withdrew from the slander case as attorney of record. Following the jury's verdict Rev. Allen stated that he would proceed with the civil action.

The Allen case throughout Thursday was not without its dramatic moments. E. H. Hartwig, associated with J. J. Fitzgerald, of Portland, in the defense of Allen, went as he finished an impassioned appeal, while the defendant's wife, holding in her lap one of her three children, sobbed audibly. At this moment the defendant held, sleeping in his arms, the couple's baby son. The court house was crowded at all times during the trial. The audience was treated to a sensation Thursday morning, when Rev. Allen being cross examined by District Attorney Derby was asked to explain statements made during direct examination Wednesday night. Attorney Fitzgerald, seeking to establish, as he stated, that the defendant's lease of the Cascade Locks apartments, where he was accused of having started the fire, was executed in good faith, the defendant seeking a quiet place for pursuing his study of the law, had the accused man recite some of his former occupations. In his story to the jury Rev. Allen stated that he had been a silent partner in several law firms.

Explaining to the district attorney Rev. Allen said that his father had the power of attorney in one of the largest estates in California. In his recital he declared that one Julius Friedman, an old bachelor and a Russian Jew, had died leaving an estate valued at \$40,000,000. While not of record, Mr. Allen stated that he had worked on this case for law firms of New York city, Washington, D. C., and Oakland and San Francisco, Calif. Attorney Derby then asked his special study of the name the San Francisco law firm. Mr. Allen replied that he did not know the name.

When asked for the name of the Washington firm, he replied that it was the Russian ambassador. He explained that certain formalities in the case required the consideration and approval of both the American and Russian ambassadors. He stated that Friedman left 70 heirs and that at times as many as 125 lawyers were engaged on details involving the estate.

After the trial Rev. Allen called on newspaper men and asked that his valuation of the estate be corrected to \$4,000,000. A conference of the jury that tried Rev. Allen was that four Millers sat on the body of pears. None of them were related. They were: Warren Miller, J. I. Miller, Gus Miller and Roscoe Miller. Other jurymen were: J. D. McCully, L. E. Phillips, L. T. Reel, A. T. Zook, F. W. Hayt, C. H. Clymer, L. C. Sunneman and W. A. Copeland.

Fancy Wraps Not to Be Printed

The Apple Growers Association will break an established precedent this season, when apples of the Red Diamond or second grade, will be marketed in plain wrappers. Formerly the wrapper has borne the imprint of the organization's copyrighted trademark in red ink.

The change will be made, it is said, because of the high cost of the printed wrappers as compared with the plain.

"It Sure Does the Work"

Changeable weather and wet feet make March a dangerous month for coughs, colds, croup and whooping cough. Be prepared to get prompt relief. Don't let a cold run into serious sickness. Mrs. W. H. Thornton, 3523 W. 19th St., Little Rock, Ark., writes: "My little boy had a severe attack of croup and I honestly believe he would have died if it had not been for Foley's Honey and Tar. Two doses relieved him. I would not be without it at any price." Sold everywhere.

GROWERS ELECT MOSIER BOARD 6TH TIME

From the Mosier Bulletin.

For six consecutive years the present board of directors of the Mosier Fruit Growers Association has served the fruit growers of this district, and with the election Saturday at the annual meeting of the stockholders at which 85 shares were represented, they were re-elected for the fifth time, each election yearly being significant by a unanimous vote being cast. This is high tribute to the perfect harmony among the 100 per cent co-operative organization, every grower being a member. The board of directors include Amos Root, president; Lee Evans, J. M. Carroll, secretary; C. A. McCargar; and Dr. C. A. Macrum. Mr. Root has served as president since the organization was founded, serving continuously for 11 years. Lee Evans and J. M. Carroll have been members for 10 years, C. A. McCargar, 8 years and Dr. C. A. Macrum, 6 years.

R. D. Chatfield is now finishing his seventh year as manager, the fiscal year ending April 1. J. J. Carroll was manager the first three years; H. M. Huxley, the following year; and R. D. Chatfield holding the office since that time.

Other growers who have served on the board are A. P. Batcham, Fred Evans, E. L. Howes, D. P. Harvey and E. J. Middleswart.

W. F. Gwin, vice president and general manager of the Northwestern Fruit Exchange and H. G. Fletcher, sales manager of that selling agency, with which the Mosier Fruit Growers Association is affiliated, were here from Seattle and gave short talks to the growers on the apple outlook for this year.

Mr. Gwin explained how the war embargo had affected foreign shipments, and told of the loss to growers caused by car shortage, together with the extremely cold weather last fall. He declared that under the Food Administration much of this trouble will now be eliminated.

Mr. Fletcher told the growers how his organization had distributed Mosier apples to many new markets in various sections of the United States because New York dealers had combined on a low price at which the exchange refused to sell. Therefore one or two cars only was placed in several large cities.

This action will force the New York dealers to come to terms, he maintained, as they are very desirous of the Mosier fruit. He explained that the action of the New York dealers is really a blessing in disguise, for under the Skookum trademark the Mosier apples will get a country-wide reputation.

Following is the report of Manager Chatfield, which is incomplete, he announced, because the majority of the apple pools are not closed. He hopes to be able to make a complete report by April 1.

179,405 lbs. Royal Anne cherries, av. 5 1/2 lb.; 3,912 10-lb. boxes black cherries, av. 1.02; 386 20-lb. boxes peaches, \$2.2; 10 crates blackberries, \$1.95; 809 crates peach plums, \$3.75; 80 crates Tonnant prunes, \$3.85; 49 crates Hungarian prunes, \$3.85; 82 crates Silver prunes, \$3.58; 64 crates Italian prunes, \$3.72; 141 20-lb. boxes Petit prunes, \$3.43; 280,158 lbs. Italian prunes, \$31 ton; 422 boxes Bartlett pears, \$1.35; 431 boxes various pears, \$1.04; 371 half boxes Bose pears, \$1.35; 9 half boxes Conice pears, \$2.1; 7 full boxes Bose pears, \$2.31; 5 full boxes Conice pears, \$1.65; 560 full boxes Anjou pears, \$1.98; 489,780 lbs. cider and canning apples, \$12 per ton; 2,072 boxes local and foreign apples, \$1.80; 34,150 boxes apples in 41 cars, (pools not closed); 5,000 boxes apples cold storage in east; 2,000 boxes on hand.

Two pools have been closed as follows: Gravensteins—Orchard run, 125 and larger, \$1.50; 138 to 163, \$1.25; 138 to 163, \$1.25; 175 to 200, \$1.00.

Red Cheek—Combination grade—138 and larger, \$1.65; 150 to 163, \$1.40; 175 to 200, \$1.15. Choice—163 and larger, \$1.10; 175 to 200, \$0.80.

Total revenue for year, approximately, \$75,000.

JOHNSON TAKES MEN TO SALEM

Sheriff Johnson left Saturday afternoon with two prisoners for the state penitentiary, Philip Solem, who pleaded guilty to a charge of attempting to wreck an O.-W. & N. limited train, was sentenced to from five to 10 years. Dave Matheny, sentenced for larceny of the country place of Dr. T. L. Eliot, will serve from six months to three years.

NEW FISH LADDER NEARS COMPLETION

W. O. Hadley, of The Dalles, deputy state game and fish warden, was here last week inspecting the new fish ladder that is being constructed by the Pacific Power & Light Co. over a dam on Hood river just south of the city. The new structure, which is nearing completion, will replace a ladder washed out by December freshets. Mr. Hadley says that the new ladder, which will cost approximately \$1,500, will withstand floods. It is located on the west side of the river, protected by cribbing, whereas the old ladder was on the east side. A permanent fish ladder will soon be constructed by the Oregon Lumber Co. at Dee under the supervision of the State Game and Fish Commission.

Marines Have Record Insurance

The 80th Co.,—regiment, U. S. Marines, on active service somewhere in France, is insured for \$2,545,000. This undoubtedly establishes a record for individual company insurance subscription. Of the 255 men in the company, 254 took out insurance for \$10,000 each, the remaining member subscribing to a \$5,000 policy. In addition to this, 188 men of the same company made allotments totaling \$2,530,500 for the "folks back home."

ELIMINATION OF ALL LUNCHEAS ASKED

County Food Administrator Gibson has written to all fraternal organizations and other organizations of the county asking that all superfluous lunches be discontinued. His letter follows:

"At this time of stress and crisis in the life of our national government the closest affiliation of organizations is urgently needed.

"Fraternal organizations are in a position to add energy to governmental agencies and forces. Will you kindly bring before your order the question of eliminating all lunches and suppers except those served during a regular meal time and taking the place of a regular meal during the period of the war? Will you please ask your members to discuss this and act on it as seems best? May I suggest that there are two objections to these lunches and suppers—they result in an unnecessary consumption of food and they break down saving practices in the home.

"There is a shortage of food. In the face of this fact we have some hundreds of thousands of our own boys to feed and half the world is starving. Any consideration of this suggestion will be gratefully appreciated.

"In the service of God and the interests of humanity,
Sincerely yours,
L. E. Gibson."

A Billious Attack

When you have a billious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.

Ranchers Like Eight-Hour Law

The new eight-hour law that went into effect at the Dee plant of the Oregon Lumber Co. last week, following the conference between Col. Disque and northwestern loggers, is pleasing to the ranchers of the Dee section, who work at the mill. Numerous owners of Dee Flat orchards have paid for their places and their development by work in the lumber mill. The orchardist-mill workers declare that the new ruling will permit them to devote several hours a day to their farm work. The Dee mill, now operating under government orders, has perhaps been freer from I. W. W. influences than any other in the northwest.

HAVE YOU A BAD BACK

If You Have, the Statement of This Hood River Resident Will Interest You

Does your back ache, night and day? Does it hinder work; destroy your rest? Does it stab you through and through when you stoop or lift or bend? When your kidneys may be weak? Often backache is the clue. Just to give you further proof. The kidney action may be wrong. If attention is not paid. More distress will soon appear. Headaches, dizzy spells and nerves. Uric acid and its ills. Make the burden worse and worse. Liniments and plasters can't reach the inward cause at all. Help the kidneys—use the pills Hood River folks have tried and proved. What they say you can believe. Remind Hood River woman's account. See her, ask her, if you doubt. Mrs. F. B. Snyder, 1223 Duriam St. says: "I suffered a great deal from kidney and bladder trouble. For about a year I was hardly able to do my work at the trouble took the life right out of me. My back ached over my kidneys all the time and my kidneys acted irregularly. Doan's Kidney Pills soon relieved the awful pains in my back and my kidneys acted more regularly. Four boxes of Doan's cured me and since then I have been free from kidney trouble."

Mrs. Snyder is only one of many Hood River people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that cured Mrs. Snyder—the remedy backed by home testimony, 60 cents at all stores. Foster-Milburn Co., Props., Buffalo, N. Y. When your back is lame—remember the name.
