One of the best evening's entertainments of the entire school year will be given by the Skookum literary society at the high school auditorium this evening. Beside other numbers, a play, "Mr. Bob," will be put on.

FIRST AUTOIST FROM OVERLAND HERE
 The first motor tourist to cross the Rocky mountain this spring, E. H. Olmstead, en route to Corvallis to visit relatives, arrived here Tuesday night from Cambridge, Nehr. Mr. Olmstead's plans of driving the entire distance from the middle western city were thwarted by the blockade of the Highway on Rulifson hill. He shipped his car to Cascade Locks and will continue his tour to the Willamette overland. Stopping for a visit with his old acquaintance, W. F. Laraway, Mr. Olmstead stated that he had been 13 days making the trip of 1831 miles. He came by way of Cheyenne, Wyo. The motorist has been buffeted by fierce snow storms. He says that he traveled for more than a hundred miles on the crust of the snow. Despite the winter weather Mr. Olmstead says his car troubles were few.

CONCERT A SUCCESS
 The Red Cross benefit concert given last Thursday evening proved a very gratifying success, both musically and financially. Mr. Monteth, who has not favored Hood River before, proved a genuine treat. His voice is sweetly musical, well trained and full of dramatic expression. His stage presence showed such ease and ability that he was most pleasing to the audience. Miss Woodcock is being discovered as a conscientious and talented addition to our musical community. Her numbers showed musical perception and a thorough knowledge of her subject. Hood River is always pleased at the opportunity of hearing Mrs. Sletton and her rarely beautiful voice. Her solos were well selected and rendered in her best style. The duets were especially pleasing and Mrs. Sletton's clear soprano blends well with Mr. Monteth's baritone. The sum of \$39.55 was turned over to the Red Cross by the music department of the Woman's club as the proceeds of the concert. Contributed.

VOLUNTARY SUBSCRIPTIONS ARE EXPECTED
 Numerous voluntary subscriptions are expected by the Liberty Loan committee. In fact, a number of citizens, who were overlooked when lists were being made for soliciting teams, have already appeared at the banks and have volunteered gratifying subscriptions to the great loan. "It was inevitable," says Chairman Blanchard, "that some names were overlooked. But we would urge those on whom no solicitors have called to come to one of the banks at once and turn in their subscriptions. The committee expresses sincere gratification at the manner in which the Hood River county people have responded to the call for loan subscriptions. Every district has reached the allotment, and Liberty Loan honor flags will fly in every Hood River county community. As early as Tuesday night, the official figures in the hands of the committee showed that more than \$150,000 had been subscribed." **New High School Teacher Here** R. S. Langworthy, of Newberg College, has arrived here to succeed G. L. McIntyre as teacher of the department of science in the high school. Prof. McIntyre left last Friday to become a Y. M. C. A. physical director at Camp Lewis. At a meeting Monday night the school board decided to inaugurate a department of agriculture next year. The new department will be in charge of a specialist to be appointed by the Oregon Agricultural College.

HIGH SCHOOL NOTES
 (By Georgia Lynn)
 The baseball season was formally opened last Friday by a game with White Salmon on the field of the high school. Local resistance was offered, so H. R. H. S. carried off the honors with a score of 6 against White Salmon H's 4. The final accuracy test was given last week to but two members of the typewriting class, Forrest Carter and Georgia Lynn. Georgia Lynn proved to be the winner. A special assembly was held Friday morning, when John Claire Monteth sang a few numbers, much enjoyed by the students. Friday afternoon Prof. G. R. McIntire, of the science department, left for Camp Lewis with a class to become physical director. Prof. R. S. Langworthy takes his place. Monday morning a patriotic assembly was held. The purpose of the assembly was to arouse enthusiasm in the purchasing of War Saving Stamps. The assembly was opened by the singing of the Star Spangled Banner and other patriotic songs. A talk on W. S. S. by Jennie Hango was followed by a discussion of Liberty Bonds by Willbur Hoyt. Then, D. G. Cruikshank, Scoutmaster, talked to us of our responsibilities and interests concerning the war, and urged our united and earnest cooperation with our government. In conclusion Prof. Crews explained the purpose of the pledge cards which were to be handed to each student in their roll room. These pledge cards were used as a means to determine about how much to expect from the high school pupils. The sophomore of room 9 have already displayed a great amount of patriotism. Out of an enrollment of 29 pupils 19 have bought W. S. S. The total amount of money expended in this way is \$121.70. Don't forget the literary, which the Skookum society presents tonight in the high school auditorium. The main feature of the program will be a play, "Mr. Bob." Other numbers, such as songs and dances, will complete the program. Remember that the entrance fee will be but 15 cents, less than the amount you would pay for admission to a picture show or a dance. Then, too, you can have the satisfaction of knowing that the money is going for a worthy cause. The proceeds of the evening will be applied on the payment of the high school service flag.

Runaway is Spectacular
 While Mrs. Geo. I. Sargent, of the Oak Grove district, was delivering eggs and cream on State street last week her horse becoming frightened, figured in one of the most spectacular runaways ever seen here. With Mrs. Sargent holding on to the reins the horse plunged off down the steep street. Mrs. Sargent is accustomed to delivering eggs at the home of P. S. Davidson, whose lot extends the entire distance through Oak street, and the horse turned in at the gate to the backyard. Mrs. Sargent was thrown free, and the horse and vehicle, going over a steep embankment, rolled over a number of times a distance of 100 feet to Oak street, where the rig was stopped by contact with a little cherry tree. Spilled cream and broken eggs marked the path of the vehicle, which was badly smashed. The horse only sustained a few cuts.

Bone Sells Corn For Seed
 C. R. Bone, who perhaps has planted more apple trees in Hood River than any other man, finds corn growing very profitable. On his Central Vale holdings last year Mr. Bone produced more than two tons of White Capred Yellow Dent. Because of the quality of the corn he is finding a keen demand for the grain for seed purposes. It is selling fast at 10 cents per pound. While millers are making offers for the product, Mr. Bone says he will endeavor to place his entire crop in the hands of growers. With local seedmen supplied, Mr. Bone is now supplying Willamette valley farmers with the acclimated seed.

Cherry Damage Reported
 Growers from different parts of the valley report the recent frosts have taken a toll of the cherry crop. J. R. Nuramaker says that the lower limbs of his trees are badly bitten. Cherry orchards of lower levels are now in full bloom and growers hope for clear sunny weather, which insures pollination. The frosts have caused no damage to strawberries. **Baseball Friday Afternoon** The 1918 baseball season will be ushered in Friday afternoon here on Gibson field, when the H. R. H. S. team meets the Odell high school team. The teams of both schools have been weakened this year with many of their best players away in the service. **Methodist Church** Sunday school at 10 a. m. You are invited to be present next Sunday and join in the study of the Bible. Rev. H. F. Pemberton, of The Dalles, district superintendent, will preach at 11 o'clock. He is a splendid speaker and you should hear him. Junior and senior Epworth League at 7 p. m. Sermon subject at 8 p. m. "Co-Workers With God." J. D. Lewellen, Pastor. **Congregational Church** Sunday school at 9:45 a. m. Classes for all ages. Sermon at 11 a. m. Subject, "The Church and the Common Crowd." Is the church the champion of property rights against human rights? Has organized religion forfeited its leadership and lost the message of Jesus? M. L. Hutton, Pastor. **First Church of Christ, Scientist** Services will be held in Church Building 9th and Eugene, Sunday, 11:00 a. m.; Subject: "Doctrine of Atone-ment." Sunday School at 11 a. m. Wednesday service, 8 p. m. The reading room is open daily from 3 to 9 p. m. in the Hall building. **First Baptist Church** Sunday school at 10 a. m. J. B. U. 6 p. m. B. V. P. 11 at 7 p. m. Prayer meeting Wednesday evening at 8 p. m. Sermon Sunday evening at 8 o'clock by Rev. M. L. Hutton, subject, "The Man on Horseback."

ODELL HIGH SCHOOL
 (By Chas. Melvraith)
 Last Friday afternoon the girls' team, with the aid of Fleming Absher, defeated the second team of the grammar school, with a score of 17 to 22. The first part of the game the girls ran in a score of 17 to 0, but towards the end, the boys caught up with them. The lineup was as follows: Fleming Absher, c; Inez Absher, p; Margaret Heft, 1b; Esther Anala, 2b; Thelma Cameron, 2b; Laura Folts, ss; Margaret Gould, rf; Miriam Clark, lf. The nice springlike weather of the past week has given many of the boys back cases of spring fever. Last Monday night an army officer, two lawyers and Supt. Gibson spoke at a patriotic rally in the auditorium. The audience sang patriotic songs. Next Friday our second team will play Pine Grove, weather permitting.

Cascade Locks Man Released
 Arrested at Cascade Locks because of alleged disloyal utterances Charles Ast, carpenter, native of Alsace-Lorraine, after an investigation by local authorities Tuesday was released and allowed to return home. City Marshal Carson, who had charge of Ast while here professes the belief that the man was the victim of a petty jealousy. Mr. Carson says that Ast has purchased liberally of Liberty bonds. One of his sons was killed while fighting with the French army, and the man, himself, professes a strong opposition to the policy Germany pursued in handling his native land. The authorities telephoned to Oregon City, Ast's former home, where the man bears an excellent reputation.

Wm. Dethman Succeeds Shere
 William Dethman has succeeded Stanley J. Shere as agent of the Mt. Hood R. R. Co. The latter, who has been with the company for the past two years, left Saturday for Camp Lewis. **Bids on Wood** Bids for 30 cords, body fir wood, to be delivered in the basement of the Fricker school house on or before August 15, will be opened by the board at the school house Wednesday, May 1. By order of the Board of School District No. 2. a25 E. E. J. Nicholson, Clerk. The Glacier office carries Butter paper.
