CHILDS ADVISES ON THE CALYX SPRAY

(By Leroy Childs)

Under ordinary conditions, the most essential spray for the control of the codling moth is the calyx application. The time during which this spray can be applied effectively is quite limited, the period not extending a week following the fall of the petals. At this time only can the spray be so placed that it will be effective. As the apple grows the position which is now applied is forced into the calyx cavity and remains there as a barrier to young worms during the entire season. It not only prevents the young worms of the first generation from entering the apple through the calyx but it is also still there in August and September when the second generation of worms is present to enter the fruit.

Last year being a season during which codling moth injury was quite prevalent, it is absolutely essential that all growers take the proper precautions for controlling the pest this season. The year so far has been one very favorable for codling moth development and very unfavorable for the development of apple scab. Present indications seem to point to the fact that little trouble will be experienced with scab this season. The worms, on the other hand, find warm weather excellent for their development and we must spray and spray thoroughly if the pest is to be controlled this season.

Up to the present time the writer has found no new scab infection. However, the fungus is still alive in the old, fallen leaves and should not be near now on until the middle of June at least. Infection can take place. The addition of lime-sulphur to the calyx spray is a precaution that should not be overlooked at this time. Sulphur applications in this spray and the 10-day spray will absolutely prevent infection this season, regardless of the most favorable weather conditions for scab development. The formula for this spray is arsenate of lead five pounds to 100 gallons (paste), or 2½ pounds to 100 gallons (powder) plus the lime-sulphur at the rate of 1.0.

HOW TO KILL ROSE HOPPER

(By Leroy Childs)

The most serious rose pest in Oregon is the rose leaf hopper, a small, white insect which feeds upon the under surfaces of the leaves. This pest is so serious in many places that the ultimate result of this attack is not only the prevention of bloom but the death of the plants. It is one of the easiest insects to control and can be destroyed by the use of black leaf 40 and soap. Owing to the fact that the insect feeds upon the under surfaces of the foliage only, the spray must be applied to the under sides of the leaves in order to kill the insect. An effective formula is as follows: Black leaf 40, 12 teaspoonful; ½ pound common laundry soap, five gallons of water.

DR. J. E. ANDERSON FOR GOVERNOR

Of all the candidates in the race for governor of Oregon, Dr. J. E. Anderson, of The Dalles, stands out as the most active record against unrighteousness. He is best known throughout the state as the "Father" of Prohibition, as he introduced in the legislature the prohibition law of 1915 as well as the home-brew law of 1917. He has watched carefully that no amendment be placed in the dry law to defeat its purpose, viz: when the beer amendment was proposed to the voters, he worked tirelessly to accomplish its defeat.

He was a member of the committee which in 1913 put through the measure taking the state printing out of politics, thus saving thousands of dollars to the Oregon tax payers. He supported Workman's Compensation; Permanent Registration; State Board of Control; Mothers' Pension; Rural Credits, as well as all Social Hygiene and other moral uplift measures. During the three sessions he served in the house he has supported every measure which promised relief and protection to the man and woman who toil. The rail-road men have officially thanked him for his assistance in passing the Electric Headlight Bill; the Full Crew Bill, and like measures in which they were vitally interested. Now then, listen! It is not only a privilege, but our duty to work to bring about the nomination and election of this man as governor of Oregon. If we can get all our votes to the pole, and if our supporters will strive to bring out our full vote, the election is ours. Will you do something to help? Use your phone, talk and urge in every way upon your friends and neighbors the importance of the issues of this campaign and the necessity of working and voting for a clean progressive state government. Work now on your part will do wonders. Everything attempted must be done before May 17. After that it will be too late. Every single vote is worth while. If we work we win. Otherwise we may lose. Can we count on you to help win this election and bring victory to the "Bone Dry" candidate?

Very truly yours,
C. W. Moore, President,
Martha C. Bonney, Sec'y,
Anderson for Governor Club,
The Dalles, Oregon, April 22, 1918.
"Bone Dry, Win the War, Develop Oregon." (paid adv.)

Underwood Has Fire

The residence of G. A. Cooper at Underwood was totally destroyed by fire Monday of last week. The home of Mr. Cooper was one of the best residences of the Underwood district.

Do not wait to order your berry stamps—do it now. The Glacier makes them

ODELL

Mr. and Mrs. Chas. Davis returned to their home in Odell Tuesday of last week after having spent several months in California. They sold their California property and drove overland in a Ford runabout, coming via eastern Oregon.

Aubrey Davis was a Portland visitor several days returning home early last week.

H. Helfer, of Portland, spent a few hours Friday at the home of his cousin, J. C. Duckwall.

Miss Eleanor Hawkins went to Portland Sunday for the Odell Tuesday of last week.

Miss Gertrude Walther, of The Dalles, has been a guest at the home of Mr. and Mrs. Carl Hunter for the past week.

Mr. and Mrs. E. C. Cole, of the local telephone exchange, went to their former home at Trout Lake Tuesday for a short business visit.

Thurlo Tompkins went to Portland Monday and enlisted in the navy. He expects to report for duty next Monday.

Mrs. Henry Rodamar received a message bearing the sad news of the passing away of her father at his home in Iowa Saturday. Mrs. Rodamar started east Sunday. She has a host of friends who feel sincerest sympathy for her.

Mrs. H. H. Herrick returned Sunday evening to the home of her daughter, Mrs. L. D. Boyed, after having visited her granddaughter, Mrs. A. B. Shelley, of The Dalles.

Mrs. J. R. Crosby is at home after having consulted Portland physicians and taken treatment in sanatoriums in that city. Her condition is believed to be more satisfactory than before she went to Portland.

D. D. Crosby has gone to Vancouver, Wash., where he expects to be employed in the shipyards.

Odell friends were very glad to greet Miss Harriet Allen, who was a week end guest of Mrs. Geo. F. Ogden. Mrs. Ogden gave a dinner party at the home of Mrs. Alma Howe Saturday evening with Miss Allen as guest of honor.

Mrs. H. K. Davenport, who spent the winter in Portland, arrived in Odell Sunday evening and she and her mother are cozily settled in the Davenport bungalow home south of Odell. Mr. Davenport travels for the Cutler Fruit Grader Co., of Portland.

The DeMoss Concert Co. gave a very good entertainment at the high school Monday evening.

Fred Howard lost a valuable cow recently. The cow was staked out in an orchard and a supposedly burned arsenal of lead keg was found not completely destroyed, the cow having gotten a sufficient quantity of the poison to cause her death.

The Parent-Teacher Association holds its regular meeting in the high school auditorium Monday night, May 13. Women interested in the making of good war bread should come and new methods explained by experts in the art. The election of officers will take place at this meeting. Come at 7:45 and take part in the community sing.

M. Hawthorne has bought from the Sidney mill at Fir, lumber which he is placing on the ground for a building in which will be found a barn and apple house. There will be a full basement of concrete and two floors above the basement.

The May Day and patriotic exercises on the tennis court at the high school were the and teachers and pupils delivered the many favorable expressions heard and the hearty applause given each number on the program. Those who witnessed the smoothly executed drills would have had difficulty in believing that because of repeated breaks made by one and another and the more cases of mumps or measles the teachers were almost discouraged. The result was worth the effort and faithful. Patient preparation won its own reward.

Supt. Gibson spoke along practical lines, too, highlighting upon food conservation, which just at this time means wheat saving.

Rev. Newham touched, in well chosen words, upon the thought of the day, Miss Margaret Gould as May Queen preceded to her throne by heralds and flower girls, with pages carrying the royal train. The remaining numbers on the program were: Song, New Hill Columbia, Flag drill, Central Vale school; Song, Marcelline, high and grammar school; Vineyard dance and concert, first and second grades; song, Central Vale pupils; Flower dance, fourth and fifth grades; May pole dance; song, Columbia the Gem of the Ocean, high school octette, as Flag was going up, then everyone sang The Star Spangled Banner.

After the program there were races for the small boys, flag races, tag, and a baseball game by the larger boys. The baseball game resulted in a tie and more innings had to be played to decide the result of the game.

Remember the date and place for the Hood River County Sunday School convention, May 13 and 19 at Pine Grove church. Splendid program is being prepared.

If you have small amounts of yarn you may help a good cause by leaving yarn with Mrs. J. P. Naumes for Junior Red Cross members to knit into squares for the efforts or tops for bed or wheel chair covers.

Next Sunday is anniversary day for the Epworth League. "Keep the Home Fires Burning," is the lesson subject and Miss Martha Ferguson will lead the League service. The lesson is patriotic throughout. The regular exercises for the installation of officers will be observed at this time.

Sunday morning Mothers' Day will be observed at the Methodist church with a short program consisting of readings and special music.

FRANKTON.

Jay Heppner, who is working at the Locks for the Bridal Veil Lumber Co., was home Saturday for a short visit.

W. T. Eddy and wife were in Frankton over the week end.

The Four Leaf Clover club will meet this afternoon with Mrs. W. T. Price, in Hood River.

Everybody is invited to attend. Exercises will begin at 2 o'clock prompt. Frankton was well represented at the funeral of Wm. Boorman. He was one of Frankton's earliest settlers, having started one of the first orchards in this valley at his home on Phelps creek.

Letters received from Carl Cooper, one of Frankton's boys over there, tells of his safe arrival. He says that he is well and hearty and that the other Frankton boys there, as far as he knows, are all well.

A unit of the National League of Defense was organized at Frankton last Friday evening. Ten members were enrolled.

At the Parent-Teacher meeting last Friday evening after a short program the following officers were elected for the coming year: Mrs. Pemberton, pres.; Miss Eloise Cooper, vice pres.; Mrs. M. J. Foley, sec. treas.

MOUNT HOOD.

The following officers and teachers have been elected for the Sunday school for the ensuing year: W. T. Wyatt, superintendent; Marian Wyatt, secretary; treasurer, Alma Kitchell; organist, Mrs. Myra Wyatt, teacher of the Sunbeam class; Miss Winnie Wyatt, Busy Bee class; H. C. Wyatt, Straightline class; Mrs. Caroline Smullen, Comrades class. The Bible class has not selected a teacher for the present.

The regular church services were held Sunday evening. Rev. Boddy will preach again in two weeks, May 19, at 11 o'clock. On the evening of the 22d Mr. Boddy wishes to show slides and give a lecture on the ruins of churches and cathedrals of France and Belgium, and would like to have a good attendance. These slides are new and have not been shown in this section of the country.

Mr. Hanna has been on the sick list. Hazel Miller is visiting friends and relatives at Hood River.

The Sewing club met Saturday afternoon with Anelroy Everson.

Mrs. A. C. Jordan has taken charge of the Junior Red Cross work.

The Red Cross will give their play Thursday evening, May 16. Plan now to attend.

R. S. Hammer and family are spending several days at Odell, where Mr. Hammer is helping his brother put in his crops.

Mr. and Mrs. E. O. Evans and Gordon Evans, of Cascade Locks, spent the week end at the home of H. C. Wyatt. They returned home Sunday afternoon. They were accompanied to Hood River by the Wyatt family in their car.

Men have been at work the past week enlarging the Farmers' irrigation ditch.

George Barr was working at Dee last week, painting the bridges.

MIDDLE VALLEY.

Mrs. Louis Rhodes has organized a Sunday school for the children of the Middle Valley, which meets at her home.

Word from Clifford Kitchell at Camp Lewis states that camp life is very interesting.

Mrs. C. W. Hodgson, of Yonkers, New York, who was making a business trip through the west, spent the week end with her aunt, Mrs. Craft.

Mrs. O. L. Warden and mother, Mrs. Calkins, spent the week end in Hood River.

Glen Lenz is still at Fort Morrison, Va.

Frank Clemmons lost a fine milk cow last week.

James Steele was a visitor at Mount Hood Sunday.

The Ladies' Aid met at the home of Mrs. Arens last Saturday with a good attendance. Besides the afternoon's work a surprise shower was given Mrs. Craft, as she and Mr. Craft are leaving Middle Valley. They expect to be camped out for a time. Mrs. Craft was the recipient of several little articles to aid her in camp cooking and other pretty gifts. Mrs. Craft is a lively spirit of our neighborhood and always on the roll at Red Cross and Ladies' Aid meetings. Mr. Craft is our good singer, so they will both be greatly missed by everyone. With them we send our wishes of good luck and we hope to see them at home again in Middle Valley.

John Hillstrom has been moved from Camp Lewis to some camp in California.

Frank Clemmons has moved his family into the Craft home.

HEIGHTS NEWS.

Mr. and Mrs. J. Marshall, of Portland, were here last week looking after their house on Taylor street. The family will move here the last of June. Mr. Marshall is a traveling salesman and left Friday for eastern Oregon on a six weeks' trip and Mrs. Marshall returned to Portland.

L. J. SIMPSON (Republican) Candidate for the nomination for Governor in the Primary, Friday, May 17

AMERICANISM—PATRIOTISM—PROGRESS
DEVELOPMENT—EFFICIENCY—SOCIAL JUSTICE

When you're on the lookout for submarines, a chew of Real Gravelly helps to pass the long, dark hours.

Mr. Peck was born in Madison, Ohio, in 1841. He came west in 1900 and has resided in the White Salmon valley since that time. He is survived by his widow, two sons and one daughter. Mr. Peck, in his youth, was a sailor on the Great Lakes, later engaging in the lumbering business in Wisconsin. Later he followed his son to the Pacific Northwest and had been engaged in the fruit raising business since that time. His death occurred April 29.

BISHOP HERE NEXT SUNDAY.
Bishop Robert L. Paddock will hold a service at St. Mark's Episcopal Church next Sunday afternoon at three o'clock. The Bishop, whose departure for France has been deferred probably until next week, will administer the sacraments of baptism and confirmation at this service and hopes that all desiring to receive these offices will avail themselves of the opportunity, as he expects to be abroad for six or eight months. Those having relatives in the Army are especially invited. Further information may be obtained from J. W. Critch or Mrs. Thomas Flager.

NOTICE TO CONTRACTORS:
The County Court of Hood River County, Oregon, will receive bids up to 2 o'clock p. m. of Saturday, the 18th day of May, 1918, for the construction of a garage to be 24 feet by 48 feet, built of concrete blocks with concrete foundation, according to the plans and specifications on file in the office of the County Clerk in Hood River, Oregon. The County Court reserves the right to reject any or all bids.

Notice to Contractors
Notice is hereby given that sealed proposals will be received by the school board of School District Number Sixty-three (63) Klickitat County, Washington, till May 29th, 1918, for the furnishing material and labor necessary for the completion of a school building, to be constructed in said District Number 63, locally known as Pleasant View District.

White Salmon Rancher Passes
The funeral of F. S. Peck was held at White Salmon at the Odd Fellows' cemetery Tuesday of last week, Rev. A. Jackson of the Methodist church, officiating.

Oregon's Need Today—

A TRAINED BUSINESS EXECUTIVE

Your OPPORTUNITY to elect a TRAINED man to head your state government, one who has never before been in politics, who is a staunch friend of the working-man, who has a successful business record of twenty years, whose energy has made him a worker, whose experience has made him a builder, whose training has made him a thinker, and whose ability has made him a leader;

YOUR OPPORTUNITY to elect THIS type of man Governor of Oregon is found in

DEVELOPMENT—EFFICIENCY—SOCIAL JUSTICE

"YOUR KIND OF A MAN FOR GOVERNOR"

Whether He's Fighting on Sea or Land Send him a pouch of Real Gravelly Chewing Plug
If he doesn't chew yet, he'll slice it up and mix it with his pipe tobacco to give it flavor and improve his smoke. You will send your friend more tobacco comfort and satisfaction in one pouch of Real Gravelly Plug than in half a dozen plugs of ordinary tobacco. Give any man a chew of Real Gravelly Plug, and he will tell you that's the kind to send. Send the best!

-valve-in-head motor
The Chevrolet valve-in-head motor is the direct-application-of-power type. Gasoline vapor is introduced directly into the cylinder head and is exploded flatly against the piston head, just like a hammer striking a nail squarely on the head.

Every bit of power from the explosion is utilized to turn the fly wheel—there is absolutely no waste. In all other types of motors the gasoline is introduced into a side-chamber, where it is exploded. The force travels "around the corner" to the piston head and a loss in power results. And every Chevrolet is valve-in-head powered. The "Four Ninety" Roadster at \$761.85, Touring at \$787.50. And also the "F-A" model Baby Grand Touring and Royal Mail Roadster at \$1140. Every Chevrolet is completely equipped. Prices f. o. b. Hood River, Ore., war tax included.

Write or call for a copy of the booklet: "Squarely on the head." It tells all about the valve-in-head motor and its use in motor cars, aeroplanes and submarines.
