REFERRED BY THE STATE TAX COMMISSION

- Certificate of Necessity for Increase in State Tax Levy for 1919 (Issued under authority of Chapter 150, Laws of 1917).
- State of Oregon, County of Marion, ss.
- We, the undersigned, constituting the State Tax Commission of Oregon, hereby certify that in our opinion it is necessary to levy an amount of State Taxes for the fiscal year 1919 larger by \$940,000.00 than the amount limited by the Constitution of Oregon, unless specifically authorized by vote of the people.
- From careful investigation we believe that the proposed specific increase of the State levy of taxes for 1919 is necessary that delinquency debts incurred for maintenance of State institutions and departments may be paid, that increased cost of necessary labor and supplies during the ensuing biennium may be met and that the credit of the State may be preserved. The amount specified is estimated as equivalent to an average levy of one mill on the dollar of the total assessed valuation of the State for the current year.
- WITNESS our hands and the seal of the State Tax Commission this Seventeenth day of September, 1918.
- (Seal of the State Tax Commission Oregon)
- JAMES WITHEYCOMBE**, Governor, Chairman.
- BEN W. GILCOTT**, Secretary of State.
- THOS. R. KAY**, State Treasurer.
- CHAS. V. GALLOWAY**, Tax Commissioner.
- Filed in the office of the Secretary of State September 17, 1918.
- Shall the increase of \$940,000.00, as stated in the foregoing certificate, in the total amount of the State levy of taxes for the year 1919 over the amount otherwise limited by the Constitution of Oregon be authorized? Vote Yes or No
- 312 Yes.
- 313 No.

HOW TO MAKE INFLUENZA MASKS

In San Francisco and other cities health authorities are enforcing the wearing of masks as a protection against the spread of Spanish influenza. Some of the local citizens, teachers and others coming in close contact with those with whom they deal, have worn the masks. The masks are made as follows:

Take gauze 36 inches wide and 42 inches long. Divide into four strips nine inches wide. Fold each strip into halves, then into thirds, making six thicknesses of gauze.

Turn raw edges and stitch all four sides to hold firmly. The mask now measures seven by eight inches.

Put three picots on each-inch end, lower picot deeper than other two to allow room for chin. With at end after picots are laid three and one half

APPLES BRING THANKS

As a result of the liberal donations of apples from growers and more than 200 boxes raised by a recent drive, the troop train ever passes through Hood River without receiving boxes of fruit. Young women of the Red Cross can then committee meet all trains and pass fruit from baskets to men in khaki or suit like.

Almost daily the cartoon committee is in receipt of letters of thanks from officers and men. Tuesday C. A. Bell received the following from a troop train:

"This is to bring you the heartiest thanks from the men in khaki for your delicious apples so liberally presented to us last night."
