#### Tax Experts Warned Against

In a statement received by the colector of internal revenue, Milton A. Miller, from Commissioner Daniel C. Roper, taxpayers are cautioned agains allowing themselves to be imposed up-on by strangers who claim to be "In-come Tax Experts." They should dis-criminate carefully between really elpful, authoritative advice in tax natters, and irresponsible advice. Mr. Roper states futher that the bu reau is arranging to furnish for the benefit of income tax payers in every city and town in the country a free advisory service by trained collectors. agents, inspectors and deputies. At the offices of collectors and their deputies and at other central points, free information and advice with respect to filing returns under the new revenue bill may be had up to the final date for filing such returns.

Banks, trust companies and similar responsible institutions have always cooperated in furnishing authentic in come tax information.

### Process Utilizes Buttermilk

J. F. Deitrich, manager of a creamery at Kennewick, here on a visit to the Hood River Creamery last week, says he has devised a process for utilizing buttermilk, large supplies of which often go to waste at creameries. By the methods, which Mr. Deitrich says he has tried out, the milk is made into a cheese, palatable and very nu-tritious. He also manufactures a milk powder from buttermilk. The latter has been successfully used by bakers. The supply of buttermilk of the local
