Pure Bred and High Grade JERSEY COWS

Thirty-Five Head of two, three and four year old Cows

were brought to Hood River, Monday, by Prof. R. V. WRIGHT, Agriculturist.

These cuts show Cows of the Ed Carey head from which the animals offered for sale here are direct decendants.

These cows are being offered for sale at the Fashion Stables at remarkably low prices for stock with the noted breeding of these animals. They are direct descendants of the foundation herd of Ed Carey's famous St. Mawes Jersey Breeding.

They are typy and have the combination of heavy production and high butter-fat test.

These animals were brought into the Valley for the benefit of the ranchers here and the general good of the Valley.

Come and see them this week and get your pick. Prices range from \$120 to \$200.
