Camel Cigarettes

18 cents a package

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

They Win You On Quality!

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigaretty after-taste or any unpleasant cigaretty odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel blend to either kind of tobacco smoked straight!

Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. *No matter how liberally you smoke Camels they will not tire your taste!*

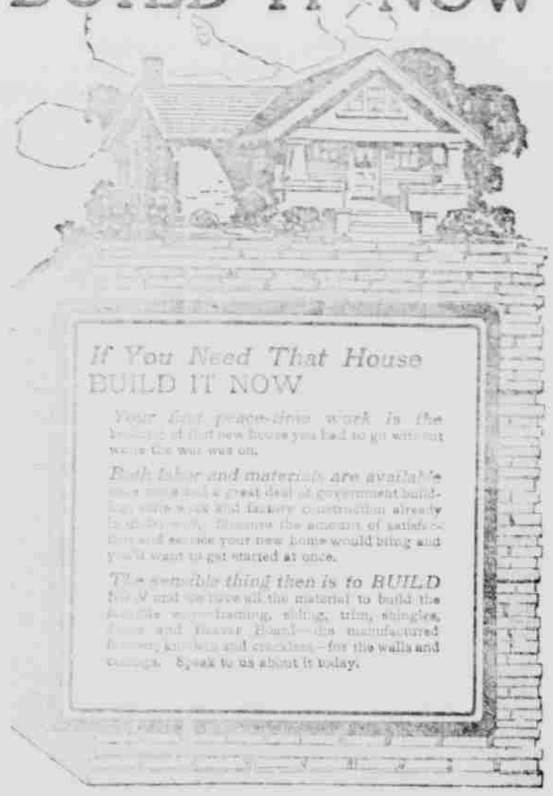
BUILD IT NOW



If You Need That House
BUILD IT NOW

Your first peace-time work is the building of that new house you had to go without while the war was on.

Both labor and materials are available since mills and a great deal of government building work and factory construction already is slowing down. Measure the amount of satisfaction and service your new home would bring and you'll want to get started at once.

The sensible thing then is to BUILD NOW and we have all the material to build the finest ever—framing, siding, trim, shingles, floor and finish flooring—the manufactured lumber, millwork and moulding—for the walls and ceilings. Speak to us about it today.

MRS. CASTNER PRAISES SEATTLE HOSPITALITY

Mrs. C. B. Castner, Associate Grand Conductress of the Oregon Grand Chapter of the Order of the Eastern Star, who returned last week from Seattle, where she attended a meeting of the General Grand Chapter of the world, has the highest praise for the hospitality of Seattle people.

"I thought it a great entertainment," says Mrs. Castner, "when the Seattle people gave the entire membership a trip to Rainier National Park, but we've had many entertainments during these days. Those visitors will never forget the colonial reception and ball at the Roosevelt. The rooms given the delegates were unique little homes and—"

Mrs. Castner says that approximately 60 Oregon members of the Eastern Star were present at the meeting, the largest delegation of any state of the Union except Washington. Grand and Past Grand officers of the Oregon Chapter present, in addition to Mrs. Castner, were: Mrs. D. H. Ross, of La Grande, and Mrs. F. W. Settlemier, of Portland, Past Grand Matrons; J. O. Mitchell, of Portland, and Grand Patron; Mrs. Bessie M. Murphy, of Eugene, Grand Matron, and E. E. Kaddy, of La Grande, Grand Patron.

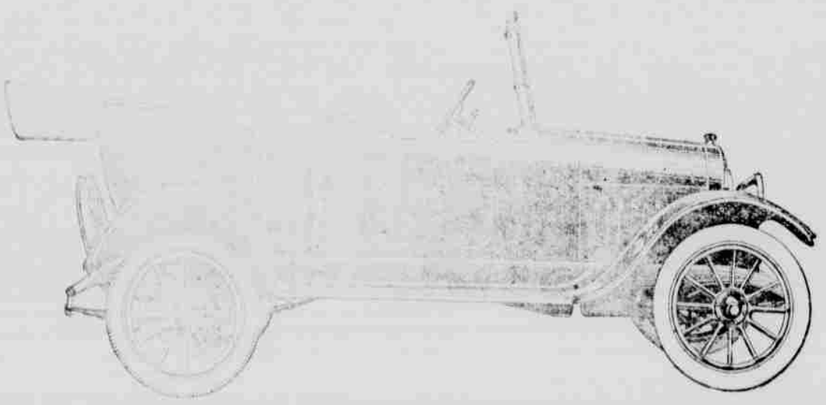
Maxwell

Good looks, thorough comfort and convenience and ample room for five adults make the Maxwell touring sedan the ideal car for family use. The popularity of this pleasure car during the past five seasons, would have enabled the Maxwell Motor Company to attain a volume production such as few motor car companies attain with so much time.

Five years of constant manufacture have developed the Maxwell chassis remarkably, and the refinements of the past year to enhance the car's appearance have borne good fruit.



The Touring Car enters this season with a new body. It is just a little more roomy than its predecessor—more space in the rounneau and more clearance and leg room in the driving compartment. This naturally followed as a result of lengthening the chassis several inches.
