

MRS. CASTNER NOT FOR SPECIAL SESSION

To call a special session of the legislature for ratification of the woman suffrage amendment, in the opinion of Mrs. Chas. H. Castner, president of the Oregon State Federation of Women's Clubs, will be playing with fire. Mrs. Castner says: "Originally I favored getting the legislators together for this purpose, but when so many of them reserve the right to take up other matters, in case of an extra session, it now seems to me that we had better allow the matter to rest. We might get the legislators at Salem and have difficulty in calling an adjournment. From the outlook, it is difficult to tell just what kind of a jumble might be brought on. If the necessity arises for action on the part of our legislature for ratification, I believe the body could be called together for that purpose, and every citizen of the state will use his influence in bringing about such action. But at present it behooves us to let well enough alone."

EX-SERVICE MEN TAKE LITTLE INTEREST

Local ex-service men engaged in organizing a chapter of the American Legion are disappointed because of lack of interest shown by soldiers of the county. It had been planned to adopt by-laws Saturday night, but such action was postponed, only 12 men being present. Permanent organization will be affected on the evening of September 3, according to present plans. A membership and publicity committee has been appointed as follows: Edward W. Van Horn, Dr. V. K. Abramson and Fred H. Bell. These men will appoint district sub-committees and endeavor to secure a full representation of the county's veterans at the coming meeting.

Dahlias Bloom in Dark

Judson G. Ruggles, local dahlia fancier, has been presenting a peculiar freak—two blossoms of a red variety of cactus dahlia that opened in a dark cellar. Mr. Ruggles overlooked a bulb this spring. He was surprised on coming across the blooming plant the other day. Without water or earth, except for a slight deposit left sticking to the bulb when dug last fall, the dahlia had thrown up long shoots supporting the blooms, which, because of the dark, were of a peculiar light red.
