key, and he's worse than a buildog he est price in any former season was won't turn loose.'

That's just the way the opposing cits, with their clubs, were talking.

owing was concerned.

stantly popular everywhere.
Years rolled along and Billy turned his second base into a broader field of activity, and widened it into a pulpit, from which he draws as many, alone, as may be seen on a fine day at the New York Polo grounds. He was always impolite enough to discuss the equity of close decisions with the Tex-as umpires, and his flow of language, even at that early date, was the sub-ject of admiration. He is pre-emi-nently the man with a rounch, and mesmars or obscures the truth.

mars or obscures the truth.

But with all the wear and tear on his constitution that so much strengous work must entail Billy must have some relaxation, and he shows another side of himself as a successful ranch owner in the Hood River valley of Oregon.

Nichols, in supervising work. in the Hood River valley of Oregon. "I am only granting the devil a true; out here," he said, "while I enjoy the pure air that blows from snow covered Mount Hood and acts as a beneficial elegating draught."

talk it over with Ma, and this means that his transactions will terminate in The boy, week baf a distinct compensation for Billy. But with all the wealth he accumu-

lates, much of it is put to a good and charitable use, and he often takes the lead with a good round donation to any

Mountain that addred Sunday, just as many other nature worshippers have been chained in her enchanting spell. No one ever tires of the mountain, for, like a kaleidoscope, it never presents the same picutre any two hours of the coff for his injuries. day. It is like a realistic painting on which some unseen Titan with an in visible brush and easel pours out his aspiration in the colors of nature Now the sun may sparkle with bril-liance indescribable on particles of Now the sun may sparkle with bril-liance indescribable on particles of snow tipped peaks nad vast snow fields and valences. The neak itself rises in and glaciers. The peak itself rises into the sky as limpid as a sylvan lake where nymphs and gnomes come to peer and mirror themselves for their morning toilet. But in a moment this vista may pass from view. A sudden cloud rolls together and throws its shadow over the Witch Mountain. and glaciers. The peak itself rises inshadow over the Witch Mountain.

It is the land of the nimrod in the fall season and among the crags and crevasses mountain goat, bear and deer abound, the latter often bold enough to raid the growing grain. Appears to raid the growing grain. Appears to raid the growing grain. enough to raid the growing grain. Apple industry is new and the district pale harvesting is a wonderful sight. One sees a familiar auto truck, loaded packers." bling along the half paved roads to the of Hood River. The man at the wheel is infinitely happy. He knows them all. They all know him. He Underwood, according to Dr. H. L. but it is Billy Sunday, just the same.
