

Indigestion

DO YOU KNOW that indigestion can be cured, permanently cured, so that you can eat any kind of food that you crave? It has been done not only once, but in almost every case when Chamberlain's Tablets are used. An instance: Mr. J. Pomerville, Stillwater, Minn., who had spent over \$2,000.00 for medicine and treatment was permanently cured by these tablets.

JUDGE GANTENBEIN DIES SUDDENLY

News of the sudden death of Judge C. U. Gantenbein came as a shock to his many Hood River friends. Judge Gantenbein, whose family, until the death of Mrs. Gantenbein, was accustomed to spend the summers here on a West Side orchard place, was well known in Hood River.

"It was with deepest regret that I heard of Judge Gantenbein's death," says C. H. Vaughan. "We of Hood River who had come to know him well had a warm spot in our hearts for him. Death is a shock at any time, but the untimely end of Judge Gantenbein just reaching the prime of a useful life, is one to be particularly regretted."

Judge Gantenbein died at his apartments in Portland Wednesday of last week.

"America lost a staunch friend and Oregon an able jurist in the death of Calvin U. Gantenbein, judge of the circuit court for Multnomah county and dean of the Northwestern College of Law," said the Oregonian.

The jurist was on the bench every day the week before his death and disposed of several important cases, but remarked to friends that he was not feeling quite himself and was subject to sharp pains in the back of his head.

Strenuous work at the first officers' training school at the Presidio, at which Judge Gantenbein, though commissioned a colonel in the reserves and more than 50 years old, went through the same grueling physical training as the youngest candidate, is said to have taken many years off his life. Close friends assert that the jurist never completely recovered from the bitter attacks made upon him in 1918 in his campaign for the circuit bench, in which he was accused openly of pro-Germanism in spite of a lifetime of devotion to America, which was vindicated by an overwhelming majority at the polls.

Judge Gantenbein was ranking colonel in the United States reserve corps, a close friend of Theodore Roosevelt and selected to open volunteer headquarters in Oregon when Col. Roosevelt proposed to take an American legion to France. From private in Co. G, 1st regiment of Oregon National Guard, in 1891, Judge Gantenbein rose through the ranks until in 1898, when he resigned to accept the post of major of the 2nd regiment of the Oregon United States volunteer infantry, serving in the Spanish-American war and Philippine insurrection. He was an adjutant-general of the state of Oregon from 1899 to 1903, when he was named colonel of the 3d infantry, Oregon National Guard, in which he served until November 14, 1906.

MRS. BLUMAER CONDEMNS SCHOOL

The feature of an address by Mrs. S. M. Blumaer, Portland club woman who talked on school sanitation before the Woman's club Wednesday, was her condemnation of the Park street school.

Mrs. Blumaer prefaced her remarks by saying that she was ashamed, after her hospitable welcome from Hood River folk, to have to find such fault with their school house. Mrs. Blumaer, whose lecture was given under auspices of the Oregon Anti-Tuberculosis Association, declared that she had visited more than 100 schools in the state during her tour and that she had never found one, even in the most remote community, more unsanitary and unsafe than the Park street school.

"It might be excused for one day," she said, "but never the second. While in that school building your children are in the hands of a kind Providence."

The school in question is an old wooden structure. It has outside toilets and is overcrowded, according to those who complain against it.

"The school might have passed in Portland 18 years ago," said Mrs. Blumaer, "but it wouldn't go, even there today."

A Good Cough Medicine For Children

Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children, or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

Here is a Hood River citizen's recommendation.

Mrs. J. T. Holman, Twelfth & B streets, says: "I am glad to speak a word in praise of Doan's Kidney Pills, for I have always found them all that is claimed for them. I aim to keep Doan's on hand all the time and when it is necessary to take a kidney medicine they never fail to give satisfaction. For backache and kidney disorders Doan's Kidney Pills can't be equaled.

WHERE BETTER BEGINS

Better hides and better tanning are the beginning of the "Better" that goes all the way through Star Brand Shoes and all the way up from the bottom of the soles. Better tanning is the very groundwork of substance, the foundation of stability—it determines what shoes are made of. The Better that begins with making better leather is WORKED in, SHAPED in, SEWED in, and summed up in shoes that serve better, feel better, look better, and last longer.
