MCCORMICK DEERING INTERNATIONAL

YOU know these trade names. Your father and grandfather knew three of them. They knew in their time, and you know today, that these names stand for the highest quality farm machinery in the world. McCormick built the first practical reaper; Deering sold the first twine binder and was a good-time pioneer; and William Parlin was one of the first steel plow pioneers. The lines of harvesting machines and plows started by these farm machine builders have been growing and developing ever since. Other machines have been invented and developed by the same manufacturers, and every new machine and implement has had built into it the years of manufacturing experience and farm knowledge accumulated by McCormick, Deering, Parlin and their successors. Now all of these machines and implements have been merged into one line—the International Harvester. The reputation of every machine and implement in this line is the same.

WANTED Orchards and Farm Lands

If you have an orchard or desirable piece of undeveloped land in the Hood River Valley that you wish to sell let me have a full description of the same and I will investigate it. If your property is found to be satisfactory as to condition, soil, and price, a contract of sale will be entered into with you. Only desirable properties which are offered for sale at a reasonable price will be listed for sale through the Farm Land Clearing House now being organized in the City of Portland, with offices in the Henry Building, for which I am local representative. We are prepared to give the best service possible and such inquiries as come into the Portland office looking for desirable orchard properties, will be sent to Hood River, and the undersigned will show such listings as are offered for sale through the Hood River office; failing to satisfy the buyers in the Hood River Valley, the would-be buyers will be sent to other Orchard Districts in the states of Oregon and Washington.

RICHARDS RETURN HANDSOME REVENUE

Some of the Hood River valley orchards have returned a fine revenue this year. J. B. Lister, local realty man, who has been gathering data on returns, gives the following:

"Here is one example: By permission of J. E. Ferguson, Hood River, I can state this: He has 20 acres of apple trees. This year he has harvested about 12,000 boxes. This will mean a revenue of \$24,000.

"Here is another, Mr. H. L. Shoemaker has an orchard of 40 acres from which he harvested 23,000 boxes of apples. This will make a revenue of \$23,000.

"There are other instances that would fill pages. The Seely Dresser orchard tract, operated by L. F. Smith, has produced this year 14,000 packed boxes of apples; 400 boxes Bosc pears; 200 boxes peaches. The tract is 40 acres, 3 not planted.

"These outputs of fruitage have a variation. Circumstances of culture and age of orchards make the difference.

LEGION MEN FOR CAPITAL PUNISHMENT

Hood River Post, American Legion, Monday night adopted a resolution favoring the return of capital punishment. Discussing paroles, the ex-soldiers expressed the opinion that courts were too lenient in this wise. However, as it was believed that individual cases warranted such action by the courts, no recommendations were made.

The Legion men voted to forward to the Red Cross Chapter a dollar each to pay for a 1920 membership for each of the paid up 131 members.

Hood River soldiers, in their first meeting since the Centralia assassinations, took their first official notice of the murders of their fellows. The Legion members stated that newspaper reports intimated that the Centralia Legion was in need of funds. The sum of \$10 was forwarded from here, with the statement that the sum in its meager greenness was merely symbolic; that more money awaited the Centralia men if they needed it.

All students of the high school have been invited to attend the service.

Officers for the Epworth League to be installed are: Earl Shank, pres.; Frank Norton, 1st vice; Naomi Carter, 2nd vice; Mabel Brown, 3rd vice; Mabel Slavons, 4th vice; Dr. Caroline Underhill, treas.; Bernice Robinson, sec.; Nellie Brown, organist.

E. A. FRANZ CO. TO BUILD NEW GARAGE

The E. A. Franz Co. last Saturday, through the agency of W. J. Baker, purchased from the estate of the late D. McDonald the corner quarter block at the intersection of Cascade avenue and Third street. The property, 100 x 100 feet, will be the location of a new garage building.

"While we have not made definite plans as to the exact size of our new building," says Mr. Franz, "it will be constructed of concrete."

Mr. McMinn Meets Son

Announcement of the appearance here last week of the Milos, a troupe of show people touring the country by automobile, resulted in a reunion between Milo McMinn, leader of the organization, and his father, W. F. McMinn, now owner of an Odell orchard place, after a 20 years' separation.

The father was formerly a show man. He last saw his son in Boise, Ida.

The father visited the Liberty theatre, where the Milos were featured, and between acts he and his son, behind the stage, told of experiences of the past 20 years.

Sonniksen Funeral Friday

Funeral services were held at the Anderson chapel Friday afternoon for A. T. Sonniksen, native of Denmark, who had resided here for 20 years. Mr. Sonniksen was owner of a West Side orchard place. Rev. D. M. Helmick, pastor of the Methodist church, officiated at the service. Interment followed at Idlewild cemetery.

Mr. Sonniksen, who was 60 years old, came to America 35 years ago, first settling in Illinois. In addition to his widow, he is survived by five sons and a daughter.

Homes Change Hands

L. F. Brazeau was worried last week over the housing situation. His present residence having been sold, Mr. Brazeau will be forced to move soon, and he had no place to go. The home occupied by Mr. Brazeau, on Cascade avenue, has been bought by G. A. Molen. Mr. and Mrs. Molen occupied a place on State street owned by C. A. Plath, now in business in Klamath Falls. The Plath home was sold to D. A. Pierson.

Winter Arrives on Schedule

Winter arrived in Hood River on schedule time. Snowfall, mixed with rain, beginning at midnight Sunday, continued throughout Monday. The temperature falling Monday night, a fine, sleetlike snow prevailed for a time. Tuesday a blanket, increasing from an inch on lower levels to several inches as the altitude gains, covered the mid-Columbia. With schools closed for the annual county teachers' institute children put in a vacation coasting Tuesday.

Should Be Quarantined

Many physicians believe that anyone who has a bad cold should be completely isolated to prevent other members of the family and associates from contracting the disease, as colds are about as catching as measles. One thing sure—the sooner one rids himself of a cold the less the danger, and you will look a good while before you find a better medicine than Chamberlain's Cough Remedy to aid you in curing a cold.

IMPORTANT CHURCH MEETING MONDAY

A three weeks' evangelistic meeting at the First Christian church will come to a close next Monday night when members of the Northwestern Budget Committee working in the interest of the world inter-church movement will meet members of the local congregation at a banquet at the church.

In addition to outlining plans for raising funds for the worldwide movement the committee, according to plans, will suggest a way for the church to raise a budget for calling a permanent pastor. The members of the committee coming here are Rev. W. F. Turner, Northwestern regional superintendent of missions, of Spokane; Mrs. Louise Kelly, superintendent of women's work, of Spokane; Rev. E. S. Mackley, of Portland superintendent of benevolences, and Rev. C. F. Leander, state secretary, of Portland.

The meetings, which have resulted in a number of conversions, followed by baptismal service, are being conducted by Rev. C. H. Hilton, of Roseburg.

The fact ball game with the high school team resulted in a score of 19 to 12 in favor of the firemen.

HOOD RIVER SUPPORTS THE FIREMEN

Hood River believes in its volunteer fire department. The citizens and their wives and sweethearts, or as many of them as could get into the big ball room, attended the Firemen's ball Thanksgiving night. P. G. Ripper, chairman of the committee in charge of the ball, the proceeds of which were used to bolster a sick and benefit fund, reports a revenue of \$285 from the hop.

The fact ball game with the high school team resulted in a score of 19 to 12 in favor of the firemen.

Splendid Cough Medicine

"As I feel that every family should know what a splendid medicine Chamberlain's Cough Remedy is, I am only too pleased to relate my experience and only wish that I had known of its merits years ago," writes Mrs. Clay Fry, Fergus Station, Mo. "I give it to my children when they show the slightest symptoms of being croupy, and when I have a cough or cold on the lungs a very few doses will relieve me, and by taking it for a few days I soon get rid of the cold."
