a request of the State Highway Commission for the condemnation of 10 scress of hillside land along the Ruth-ton grade of the Highway. The addi-tional land, it was said, is needed to widen out the grade and to provide a dumping ground for debris of slides. The court, however, took the stand that the commission itself, since such powers were granted under the law, should initiate condemnation proceed-ings. The court granted a license to the odd Fellows Lodge at Cascade Locks for conducting a public dance hall not be permitted from the hours of 12 p. m. to 6 a. m. The license is the first issued here under a dance hall not be permitted from the hours of the statement made recently by J. T. DR. J. H. WAGNER

When a doctor uses a medicine him-self besides prescribing it to his patients, he must know that it has merit.

This is what Dr. J. H. Wagner, a prom-inent physician of Skate, Kentucky, has to say about Dr. Hartman's well-known remedy, P.E-RU-NA: "I have used PE-RU-NA myself for catarrh and have given it to others for catarrh, bloating after eating and other allments. It has proved a success in all cases with old and young men and women. All speak well of **PE**-RU-NA. It is the best of all tonics."

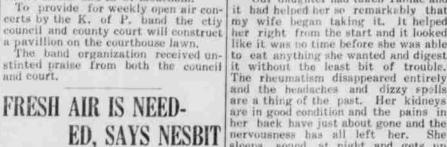

Dr. Wagner, out of the fullness of his own personal experience, for the good of all sick and suffering, recommends a medicine which he knows to be good. You may be sure a doctor would not endanger his professional reputation by endorsing PE-RU-NA unless satisfied be-

yond a doubt of its value. Whether your trouble be a cough or a cold, or a more subtle catarrhal effection of the stomach, bowels or other organs, give PE-RU-NA a trial. The immediate improvement which you will see will sat-

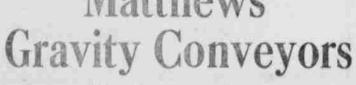

sty beyond a doubt that PE-RU-NA is what you need. PE-RU-NA may be purchased anywhere in tablet or liquid form.
