Two weeks ago we reduced our prices 5% on common lumber. We now announce a further reduction which averages 10% on all grades. The two reductions approximate 12 1/2% on all grades.

NOW IS THE TIME TO BUY while the price is down. Lumber authorities agree that present low prices are not permanent and that higher prices may become effective as soon as cars are available for eastern shipments.

## MRS. MEACHAM'S CONCERT PRAISED

(By Mrs. Eugene Lewis)

The artistic song recital presented by Mrs. L. O. Meacham, under the auspices of the music department of the Woman's club last Thursday evening at the high school auditorium, acquainted a large audience with the unusual vocal talent possessed by Mrs. Meacham. Appearing in concert for the first time in this city, the singer charmed her listeners with the remarkable tone qualities and clear notes of a rich, coloratura soprano voice, proving herself a finished artist in rendering the several numbers of a delightfully chosen program, augmented and interested by the varied selection of song numbers. The personality of the singer, as well as the developed perfection of a natural vocal gift, was received appreciatively by Mrs. Meacham's audience.

The opening number, "Vissi d'Arte," by Puccini, gave opportunity to prove Mrs. Meacham's ability in handling operatic selections, and immediately won an enthusiastic response which characterized the reception of all the following numbers throughout the program. "Hymn to the Sun," Le Coq d'Or, by Rimsky-Korsakov, which was in point of technique the most comprehensive and difficult of her selections, embracing light trills and staccato notes of diverse range, was delivered in a pure and faultless style. Two other compositions, rendered in French were handled in a manner equally skillful. The song, entitled "Trees" was interesting as the poetic creation of Joyce Kilmer, renowned as a poet of note who gave his life in the world war, the words of which have been set to a lovely musical theme by Ferguse. Five Chinese Mother Goose Rhymes translated into the English by a professor of Peking University and adapted to music by Bainbridge Crist. of Portland, were unique as unusual types of song and delightful in simplicity of rendition which nevertheless required the artistic touch of the vocalist to present them successfully.

Miss Arline Smith, a pianist of notable ability, assisted in the program with piano solos. Her selections were well rendered and appreciated. Received, J. Hutchinson, of Portland, supported Mrs. Meacham as accompanist.

The concert, given for the benefit of the American Legion was an assured success, the proceeds, it is said, exceeding the anticipations of the committee in charge. The attendance was well over 400 and the printing of extra tickets was necessitated to meet the demand of the patronage who wished not only aid the finances of the Legion, but also to enjoy a musical evening of unusual interest.

## DIDN'T HAVE WELL DAY FOR 25 YEARS

San Francisco Woman Has Gained Thirty Pounds by Taking Tanlac

"I had not seen a well day in twenty five years until I started taking Tanlac," said Mrs. Virginia Stapp, of 185 Valencia St., San Francisco, Cal.

"I was beginning to think," she continued, "that I would never see any better health as long as I lived. I had no appetite, and when I managed to eat a few bites I could not digest it and as I could get no strength or nourishment I fell off twenty-five pounds in weight. I hardly knew what it was to be without a headache. All my life I have been so constipated that every day for years I had to take a laxative. My tongue was always coated and I had a bad taste in my mouth all the time. My condition was so bad that I could get little sleep, but would roll and toss about all night long.

"But all that is changed now, for since taking Tanlac I am able to eat anything I please without any bad after effects and I have actually gained thirty pounds. I haven't had a headache in so long I have almost forgotten about them. My constipated condition has been relieved and I never have that bad taste or coated tongue any more. I sleep nine to ten hours every night, can do my housework with ease and I have so much new life and energy that I just feel fine all the time."

"Tanlac is sold in Hood River by the Kresse Drug Co.—Adv.
