Two weeks ago we reduced our prices 5% on common lumber. We now announce a further reduction which averages 10% on all grades. The two reductions approximate 12½% on all grades.

NOW IS THE TIME TO BUY

SHORTAGE FORCED OIL MAN CLAIMS

R. Owen Bailey, of Louisville, Ky., an oil operator whose company has holdings in Texas, who has just arrived here for a visit with his brother-in-law, R. E. Scott, and family, declares that an oil shortage is being manufactured for the purpose of boosting gas prices. Mr. Bailey goes so far as to assert that the consumption of gasoline does not equal the production. He says there is sufficient stocks of oil to meet all existing requirements, and that wells can keep the stocks maintained indefinitely.

A child, member of a party en route to Portland from eastern Washington, was suffering from carache on arrival here. We gave him some medicine and the party sped onward."

COULD NOT WALK UP THE STAIRS

Los Angeles Woman Suffered Six Years From Rheumatism—Soon Relieved by Tanlac

"I had rheumatism so bad that life was simply miserable for me, but Tanlac has entirely overcome my trouble," said Mrs. Martha Asbach, of 2226 1/2 Duane St., Los Angeles, Cal.
"For the past six years I was in such a wretched condition I can hardly understand how I held out as long as I did," she continued. "I had rheumatic pains in my knees so bad that it was impossible for me to step up or down the stairs and my hands were so swollen and stiff it was all I could do to hold the broom or dishes. At night I simply ached all over so bad I could not sleep, and, in fact, I suffered all the time night and day. I became very nervous and worried so much over my condition that I became very despondent."

"I tried all the medicines I could hear of but none of them did me any good until I got Tanlac. I was overjoyed to find that it more than met my expectations. All signs of the rheumatism has left me and I am back doing my housework for the first time in several years. My nerves are as steady as they can be and I sleep all night long and never wake up till morning. I haven't felt so fine in years and it certainly is a pleasure for me to tell everybody about Tanlac."

Tanlac is sold in Hood River by the Kresse Drug Co.—Adv.
