### GROWERS GET FINAL CHECKS

The Apple Growers Association has tracts. ng \$250,000, have been mailed to mem-The Newtown crop, a total of coperative agency for all apples han-Hed reached \$2686.88. The highest price received on a Newtown pool was \$.233,the lowest, \$1.43; and the aver-age price per box, \$2.94. In making returns to growers a maximum charge of 27 cents, including handling charges, storage and assessments for advertis ing and building fund was made. The total gross receipts of the Association for the past year's business reached

freight embargoes and the car shortage ern distibuting points were gratiflying. according to the sales department. The Newtown variety, before the Great War limited exports, was largely sold

#### SALES REPRESENTA-TIVES AT CONFERENCE

C. W. Hooker, district sales manager for the Apple Growers Association at Los Angeles, arrived Sunday for an unual conference of sales officials of the cooperative organization with the board of directors, Dwight L. Woodcuif, sales manager and export repre sentative at New York City, and W. M. Dickerson, San Francisco valer anager, are also here

Mr. Hooker, formerly a local grower, says that Hood River apples have be-come a staple in southern California. He states that the Association's busi ess increased 40 per cent the pas ear. A steady increase in earlot ship ments has been made rince sales head-quarters were established there five

Mr. Hooker, in urging growers to

natheir fruit, says 'Not only should the individal growers do this, but the sales agencies, too should expend funds during the period of prosperity of fruitgrowers for bet tering their equipment. All such in vestments mean a better and more deendable pack. There never was a ime when merit of package and at notiveness meant so much to the acked in mently labeled and attractive ontainers, sell for a 50 per cent prem ium over fruit of the same quality has diled in an inferior manner. While we are able let's prepare. It is a might

Mr. Hooker looks for the present prices of fruit to be maintained over a ong period. While other commodities have shown a very sharp advance, he points out that apples have raised far ess? As a result be expects to see

decline also a slower process. The apple grower formerly, says Mr. Hooker, was only interested in getting his product sold and off this hands. To lay he has come to consider his fru as a manufacturer considers hi product. He is interested in its condi-tion until it reaches the consumer. He cels a responsibility for its quality until it is caten, he says.

### NED BALDWIN SEES HOOD RIVER FOLK

Ned Baldwin, private secretary to epresentative Sinnott, was here Sat rday visiting old friends. Mr. Bald win's last visit in Hood River was in 1916. While here he called on E. L. Smith, Hood River's grand old man, who is now ill in bed at his home. He was en route from Portland to The

Commenting on the gasoline shortage now prevalent here and at The Dalles, Mr. Baldwin said;

'The days of gasoline are numbered The fuel shortage is assually become ng more serious. Coal will follow of ato the discard. For these reasons look for industries to seek the North-west because of the incomparable wa ter power facilities here. The states of Oregon and Washington are potentially great in this respect, and the waterpower bill recently adopted by congress will hasten the day of Oregon and Washington development,

The Crook county decrease is ex-plained by the fat that Deschutes county was formerly a part of Crook. The population of the two counties ogether will show a healthy gain,

### COUNCIL LETS THE CITY HALL CONTRACT

Baldwin & Swope were awarded a contract Monday night by the city counil for construction of a new combined Fire Department. The bid was \$33,174. by L. M. Bentley, was for \$34,861. A bond issue of \$45 000 will be sold by the council on August 6. The balance left from the building cost will be used in the purchase of a motor-driven fire

The council declined to accept a bid of \$5,000 from the Kibbe Construction two-black stretch of Oak street from a count where it intersects the Columbia Highway. The tid, the only one submitted, was considered too high. The council has decided to grade the street, place concrete curbs and gutters and surface it with gravel.
