**LOST LAKE ROAD SHUT FOR WINTER**

Stanley C. Walters, ranger in charge of national forest, here from Mount Hood Saturday, states that the portion of the Lost Lake highway within the bounds of the national forest has been closed for the winter. A crew of rangers spent Friday on the new grade, making winter ditches to drain the new highway. A log barricade was placed near the forest boundary. Only about a mile of the new road remains to be constructed next spring.

Fred W. Donnerberg and Julius Abraham, his brother-in-law, from Albany were the last to motor over the new road this year. Journeying to Lost Lake Armistice Day, the men report the new grade in the condition.

**Running Water**

The Greatest of City Conveniences

A Dayton Electric-Driven Water System will automatically provide water under pressure at all fixtures in your home—the same as city water supply.

and you have a steady stream of it—cool and sparkling. The cost is but a few cents a day.

Picture to yourself the convenience of running water, the comfort of sanitary plumbing, less work for the women folks—then come in and let us help you make it a reality.

It does away with all the drudgery of pumping and carrying water—just a simple turn of the faucet

**"There's More Real Satisfaction" says the Good Judge**

In a little of the Real Tobacco Chew, than you ever got out of the ordinary kind.

The good rich taste lasts so long you don't need a fresh chew nearly as often—that's why it costs you less to chew this class of tobacco.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco  
 RIGHT CUT is a short-cut tobacco

Weyman-Boston Company, 107 Broadway, New York City

**U. of O.-A. C. Game Friday**

"It will be a hummer!" This is what the varsity "O", the greater O. A. C. and vigilance committees say about home coming week, Friday to Sunday. The Aggie-U. of O. foot ball game is expected to draw a capacity crowd. Tickets are going like hot cakes.

Letters with attractive orange and black envelopes have been sent to all the alumni in an effort to get all the old students back to see the Oregon game. Reunions have been planned in various fraternity houses, and banquets, "feeds" and other festivities arranged.

The bonfire, built by the freshmen, will feature the entrance of the old King Jazz, according to the committee. This bonfire is an event of every year's life. The bonfire last year was 2500 square and lighted up the heavens so that it could be seen on the University of Oregon campus.

The rally Friday night will be started by the monster fire and stunts and talks will be featured. The annual ruck-soph bag rush is scheduled for 10 o'clock Saturday morning. The rush will be inspired by the seniors, as is always the custom.

The big O. A. C. Oregon game will occupy the afternoon. The varsity "O" men, alumni and active, will banquet at 6 o'clock Saturday. The board of regents will be in attendance and it is hoped that the governor will stay over for the festival. Wallace K. Keadler, former Aggie track mentor, is in charge of the banquet.

The crowning event of the week end will be the varsity "O" dance Saturday evening. Both the men's and women's gymnasium will be used. Open house will be observed at 3 o'clock Sunday afternoon.

**Highway No Place for Horses**

Gilbert Edgington, who has operated a pack train carrying hunting and fishing parties into the Watum Lake and Indian Mountain districts the past summer and fall, declares it a dangerous undertaking to move up and down the Highway with pack animals.

"Many automobilists," says Mr. Edgington, "apparently do not understand the deliberate movement of horses. I have had two animals struck and knocked down and have had some extremely close calls with others. It takes time for a horse to turn aside and move to the edge of the road. Many motorists, however, seem to expect the horse to move with lightning speed. I do not think anyone has willfully run into my horses, but they simply haven't given the time to allow the horses to get out of the way. They have been in too big a hurry. I had similar trouble last year."

**Fair Board Makes Request**

P. L. Manser treasurer of the county fair board, asks all who may have bills against the organization to forward them at once. He also urges all who received premium awards at the recent fair and have not received their checks to apprise the board of it. He states that addresses of a number of winners are unknown.

While figures are not now available, Mr. Manser states that the fair was profitable this year, and that the board will have net proceeds of several hundred dollars.

**Pythian Head Visits Here**

Pythian hall was crowded by members of Waucoma Lodge and visiting Knights of Pythias from neighboring towns, to greet W. J. H. Clark, Grand Chancellor of Oregon, here on an official visit last week. Mr. Clark was accompanied by other grand lodge officers and a corps of members of the D. O. O. K. of Portland. Mr. Clark outlined a campaign for new members, where it is expected the order will reach the 1,000,000 mark in America.

Following the formal business session the local Knights were hosts at a luncheon.

**Two Injured in Auto Accidents**

Frank Newell, son of Timothy Newell, Upper Valley rancher, was brought to the Cottage hospital last week suffering from a broken collar bone, broken ribs and internal injuries received when a spray tank overturned on him. He was injured while working on a threshing outfit in the spraying machine tank, which tipped on him as it was being drawn up an incline. He is reported as resting well.

E. N. Griffith, sustained painful bruises when the motor truck of Harry Munemato turned over catching him under boxes of apples.

**Highway Co. Makes Radiator Covers**

A new feature for garages has been inaugurated by the Highway Auto Co., which has equipped a top repair and manufacturing department. Herbert Field states that the new department will feature the manufacture of radiator covers for the present. Many local men drive their cars throughout the winter months, and the radiator covers have proven a popular line.

**Fines For Intoxication Doubled**

Justice of the Peace Onthank has made a rule for application on local charges of intoxication. He begins with the minimum fine and as a man successively appears in court on charges of overindulgence in moonshine the fine is doubled. Judge Onthank is trying out his plan on Frank Pendergast. The latter has just appeared and paid his second fine of \$10. The next fine, Judge Onthank says, will be \$20. He started Mr. Pendergast with a fine of \$5.

**Boys Fight, Window Broken**

A fight between Earl McElroy and W. B. Bywater, two young men attending the American Legion Armistice dance last Thursday night, resulted in McElroy hurling Bywater through a plate glass window in the Glacier office. The latter sustained a badly cut face.

The boys agreed to pay for replacing the glass.
