EUROPEAN RELIEF COMMITTEE NAMED

C. W. McCullagh has been appointed to head a Hood River county organization for raising funds for European relief. A meeting was held Monday evening at the Commercial club to outline plans for the relief drive.

"\$10 will buy the life of a child until next harvest."

Let America entertain at Christmas dinner as many children of Europe as they can afford as their little invisible guests.

These appeals from Herbert Hoover, chairman of the European Relief Council, premise Oregon's initial appeal for \$250,000 to be raised between December 19 and 25, as part of a nation-wide effort to save the lives of 3,500,000 of Europe's baby war victims.

Enlisted in the emergency organization recruited under the impetus of the powerful appeal within a week of Robert E. Smith, state director, and his assistants, are Liberty Loan, Red Cross, Knights of Columbus, Jewish Relief Association, Y. M. C. A., Y. W. C. A. and many other workers.

Appeals from the head of each organization addressed to the people of the state read as follows:

L. Allen Lewis, Red Cross: "In the gradual appearance of reality now rapidly increasing after all these unreal years I am looking forward to seeing strikingly illustrated in the complete response to this appeal at this time for the helpless children abroad. Surely a feeling of obligation will arise and real generosity will now take the place of extravagant donation which undoubtedly has disappeared. When such an exponent of common sense altruism as Mr. Hoover has been at all times, both in word and deed, comes forward now with this appeal, there can be no doubt but that there is need of the request and an obligation for all of us to respond."

FIAS, FURS AND FEATHERS

East Side orchardists in motoring to and from town the past week have noticed the activity of a colony of beavers almost in the city limits. The beavers have felled a large fir tree and are now engaged in cutting it into short links. Their plans apparently call for the construction of a dam across Hood river.

Beavers have been found working continuously on the upper reaches of the river, but none have been reported so close to the city for a number of years.

The dog poisoner is busy again. A handsome Irish setter puppy, the pride of A. F. Davenport, was a victim of poisoning last week. No acts of man can be more despicable than those of the one who deliberately scatters poison for dogs.

The Biggest Heart Picture of the Generation

A picture that is almost sublime in its forceful and dramatically appealing presentation of the mother-love theme. It reaches depths of pathos and heights of human feeling seldom found on the screen; it will make you cry, then dry the tear with a smile; it will thrill you with its drama and hold you tight with its suspense. It's worth seeing if ever a picture was.

"Once to Every Woman" is now playing at the Rivoli Theatre, Portland, to Capacity Houses.

SCHOOL NEWS

By Roberta Lane

County Supt. Gibson, City Supt. Cannon and Mrs. C. H. Henney attended the Parent-Teacher meeting at Odell last Friday night and took part in the program.

Mrs. Robert Cramer and Miss E. Pogue are back in their rooms at the Park street school after being absent several days because of illness. Mrs. S. G. Campbell was substituting for the former and Mrs. W. W. Whitaker for the latter.

Last Friday was visiting day in the city schools, a fitting close to the local part of the national school week. The rooms of the Park street and Coe primary schools were particularly well decorated in Christmas greens for the event. About 170 visitors called in the course of the day. The Coe primary had 42 visitors, Park street 100, junior high 20 and the high school 10.

A Christmas party will be given by the sophomore class to the high school students and faculty Friday evening. All parents of high school students are cordially invited and urged to attend.

Mrs. C. H. Henney introduced some new Christmas songs at assembly Monday morning. They were soon learned by the pupils. Other appropriate songs were rehearsed for next week's assembly.

The noonday hot lunches served by the high school domestic science department, under Miss Grace Smith, are proving very popular among the students. The lunches are served at a unit price of 10 cents. About 50 pupils are served daily.

Prin. Newhouse's junior high foot ball team defeated the Pine Grove boys Friday afternoon on Gibson Field by a score of 32 to 0. It was a very muddy and wet affair.

The try-out class tournament on high school basket ball is being played this week in the gymnasium under Coach Fleischman. The school squad will be selected from these players.

Farmers' Account Books Out

No farmer or orchardist of Hood River county should be without an account book the coming year. Both local banks are complimenting their patrons with neat books that contain comprehensive systems of accounting. The books also contain much invaluable information on income tax laws and regulations and various other data.

Pythian Sisters Elect

Officers elected by Wauwa Temple, Pythian Sisters, for the ensuing term follow: Mrs. Flora Coddiford, M. E. C.; Mrs. Adelaide Atkinson, E. C.; Mrs. Elizabeth Roger, E. J.; Mrs. Alta Baldwin, M.; Mrs. Florence Rand, M. of E. & C.; Mrs. Helen Stranahan, M. of F.; Mrs. Calla Nunnaker, P.; Mrs. Georgia French, G. of G. T.; and Miss Frances Elizabeth Baker, Pros.

Rubber Stamps at Glacier office.

To the Farmer:

You cannot sell your crops unless men are working. Men cannot work unless you buy the things they produce.

If you buy clothing, shoes, underwear, hats, stockings, farm implements, and household articles, you give employment to factory workers who produce these things, railroad workers who transport them, clerks and stock-keepers in wholesale and retail stores, miners who supply the coal to run the plants and railroads, and countless others, **all users of farm products.**

They cannot eat bread made of your wheat, wear clothing made of your cotton, cannot consume your corn, oats, vegetables, fruit, etc., unless they are working.

They **cannot work unless you keep on buying.** If you stop buying—business stops—your business and their business.

You can't sell crops to the "bread-line" man.

This is the greatest country on earth and will continue to do business—but you can give it a bad bump unless you keep on buying the things you need.

Perfectly safe too—now that prices are down.
