Treasury Decision 3108 issued by the Commissioner of Internal Revenue under date of December 30, 1920, has given blanket permission to all individ-nals performings and corporations to elect at this time to inventory their stocks of incrementing at cost or mar-het, which ever is lower, regardless of the method that may have been em-ployed in prior years. Tremary Decision 3108 Issued by the Prior to the year 1918 all taxpayers south 23 chains and 38 links; thence

were required to price their inventor. east 35 chains; thence north 15 chains and 19 links; thence east 17 chains and and the regulations thereunder, pro-91 links; thence north 30 chains and 25 thence east 17 links; thence vided that inventories should be taken 1 chain and 34 links; thence east under one of two methods: (1) cost, ks; thence north 3 chains and 74 thence east 1 chain and 35 links; or (2) cost or market, whichever is lower. The method employed for the year 1018 was held by the Revenue north 17 chains and 22 links;
west 27 chains and 18 links;
south 14 chains; thence west 28 Department to indicate the choice of the taxpayer and he was expected to and 24 links; thence south 4 and 69 links; thence west 8 follow such mathed consistently, It new develops, however, that since the market price of many commodities at and 76 links, and thence south Preveniher 31, 1918, and 1919, was in ns and 24 links to the place of ning, in the District of lands sub-to sale at Oregon City, containing more of their cost, thanayers who tioned to inventory at cost had, in als 10 acres; and being west half of said land as described in the patent fact, exercised no real option and, said therefore, should now be given an anid land as described in the patent from the United States to Phila Jen-

Since there has been in the year just kins, widow, and the heirs at law of William Jenkins, deceased, dated Deart such a general decline in prices. practically all commodities the ommissioner of Internal Revenue now requires the injury that would result. a the case of many taxpayers if they required to continue inventorying the barin of cost, and he is making uss provision in an effort to coras far as possible, the indary it to taking fictitious profits on market and which can be reat this lime at a discount of

The light of at this the change of the this description. The date of the first publication of this summons is the 16th day of De-cember, 1920. The date of the last the be made on the tax return of the publication is the 27th day of January, atheil employed, no other notice to Commissioner boing measury. aspayers will in future be parmitted change from the method employed for the year 1920 only upon permission from the Commitmener of Internal

Boot or market value, whichever is means that where an invencomprises a number of itoms of rent lines, each item may be in-orled earber at cost or market, onever may be lower. It does not quire that the entire inventory must

e thism one way, either at cost or unriced values but each individual item taken at the lowest value. like the method adopted at this must be strictly adhered to in the

uling upon a change the method of inventory, each tax over should weigh very carefully th freementations and conditions that fleet his particular business, as well ingen Congress proposes t nake in the Income and Excess Profits Tay laws during the year 1921.
