International 8-16 Tractor!

WE have reduced the price of the International 8-16 tractor to the rock-bottom figure—\$1,000 f. o. b. Chicago, and are now releasing it for sale in all parts of the United States. The International 8-16 is a three-speed, four-cylinder, two-plow tractor which operates on kerosene. Its popular, efficient record is based on its practical design and strength of construction, large replaceable bearings, centralized auto-control, accessibility and protection of working parts, dependable oiling system, and other features.

The \$1,000 price includes:
Rear Wheel Fenders
Platform
Throttle Governor
Clutch-operated Pulley
Adjustable Drawbar
Water Air Cleaner
Extension Wheel
Lugs

Titan 10-20 and International 15-30
Again at Rock-Bottom Prices

You can now also buy Titan 10-20, the standard three-plow farm power unit, for \$1,000 f. o. b. Chicago. This is the same world-famous Titan tractor which has been put into remarkably successful service by 75,000 farmers. Titan at \$1,000 includes all the essentials and conveniences listed with the International 8-16 above.

The International 15-30 Tractor has been reduced to \$1,950 f. o. b. Chicago.

Bear in mind that we give unequalled service, made possible through 92 branch houses and thousands of local dealers, to every International tractor owner, no matter where located.

Prices of Other Lines Reduced
Prices have also been reduced on chilled plows, tractor plows, cream separators, kerosene engines, seeding machines, International threshers, harvester-threshers, wagons, hay presses, and other lines. Ask your dealer for full information.
