# THE NEW United States Disc Separator

"The U.S. is the farmer's pride, Made to drive from either side."

Will fit in any location to suit the owner. The crank is put on the most convenient side and a pulley for Engineor Motor power attached opposite

But the most important feature is the perfected, self-adjusting bowl, with interchangeable, simplified discs and record skimming qualities, not equalled by any other separator.

There are other exclusive features, in the New United States Disc Separator which we will be glad to explain in a free demonstration and will convince you of the superiority of the new United States Separator.

### **HOOD RIVER BOY** MAKES RAPID RISE

The following, received last week from Portland, shows that no Hood River boy has made a more rapid rise business world than R. B.

In the opinion of one of Portland's most prominent lumbermen, Rey B. Early, a former resident of Hood River, is "one of the biggest young business men of the state.

business men of the state."

Since his graduation from the University of Oregon and the University of California, in 1914, Mr. Early has been making steady and rapid progress in his chosen field. His duties are many and varied, hundreds of men and properties valued in millions of dollars are under his jurisdiction. His expanding power gives ample proof of his abilities as an executive.

His primary business training was

His primary business training was begun at a tender age as delivery and errand boy in the Oregon Lumber Company store at Hood River, in conjunction with his education in the local chools. He was later connected with that company and the Mt. Hood Railroad Co. in various capacities and in 1916 transferred to Portland as assist-

At the present time he holds posi-tions as general manager of the Port-land, Astoria & Pacific R. R. Co., vice land, Astoria & Facilic R. R. Co., vice president and general manager of the Nehalem Boom Co., general freight and passenger agent of the Mount Hood Railroad Co., assistant general manager of the Oregon Lumber Company, president of the Sigma Chi Bulding Association, and assistant general manager of the Oregon-American Lumber Co.

ment feels the awakening of motorists' desire, to get the car in first class running shape and appearance. We're glad to do it, of course, Our service is more than a name as the Oakland policy is to give car buyers a warrant of future attention. But the construction of an Oakland is such as to give the owner full opportunity for exercising his mechanical talent. In the first place, the efficient six-cylinder engine is simple and easy to get at. Next, barring accident, it requires only attention that any car owner can medical affairs and world affairs keeps

Spring lubrication is another thing for rust, due to freezing and snow."

### PUBLIC NURSE'S REPORT IS MADE

The report of the Public Health Association of Hood River county shows that Mrs. Glendora Blakely, public nurse, has made 172 visits to schools the past year. A total of 1,776 children were examined, of whom 1,257 showed defects of some nature. Segregations of these defects were noted as follows: Teeth, 619; enlarged tonality of the Estate of George L.
