United States Forestry booklet folders, filled with information on the scenic points of the Mount Hood district, are becoming popular here. The booklets obtainable from the office of the chief forester at Washington, D. C., carry maps showing the region in detail. All of the trails of the surrounding forests are given. Robert Miller, arrested by Traffic Officer Murray, was fined \$5 and costs Friday by City Recorder Lowe for permitting his motor to run while the automobile was parked at the street side. Officers state that hereafter no warnings will be issued to traffic law offenders but that fines will be assessed. The Woman's Club has received an appeal from the Near East committee for partially used clothing and shoes, also for toys and books for children. The need is overwhelming, so let us do what we can. Please leave contributions at the Highway Auto garage, corner Oak and Fifth, up to May 28. For further particulars call Mrs. C. O. Huelat, phone 3454. The jewelry business was never subjected to profecting inflations. Wedding rings showed a 10 per cent increase because of labor involved in the manufacture. Some other items showed a heavier increase. Yet at Laraway's jewelry prices are coming down. Silverware prices have been cut and this week we are making a substantial decrease on Ingersoll watches. Accompanied by a young daughter and son, Mr. and Mrs. V. A. Selby, of Marion, Indiana, who spent the winter in Arizona and southern California, have arrived here on a motor tour back to their home. They will remain camped here in Hood River's public automobile park until Yellowstone National Park is opened. Both Mr. and Mrs. Selby have the highest praise for Oregon's highways. They declare the tour from Portland to Hood River over the Highway at present forms the climax of their tour. A flowering crab apple tree on the lawn of William Stewart is now attracting a widespread attention. The tree is loaded with large double blossoms, having the appearance of rambling roses. The blooms have a sweet perfume. A branch laden with the fragrant blossoms, was exhibited at Kelly Bros. store, where shoppers were asked to guess the species. Many guessed that it was a rose grafted on an apple tree. Mr. and Mrs. B. D. Smith and Mr. and Mrs. S. B. Carrine motored as far as Cedar Springs last Friday and from there hiked in to Lost Lake, the first party journeying in to the lake this season. MISS FERGUSON IN DRAMATIC RECITAL

Mr. and Mrs. J. E. Ferguson, of the Odell district, left Monday for Salem, where they will spend the week with their daughter, Miss Martha. The latter, who has won considerable note as an elocutionist, having participated in local and Portland programs, took a lead in the presentation of a dramatic recital at the Willamette University, where she is a student, Tuesday night. J. Fred McGrew, Glen Chandler and Vernon Sackett participated in the program. Selections from the following were presented: "The Right of Way," "Fleish Reuben," "The Silent System," "Alice Hartman's Resolve," "Strongheart," "A Pair of Lunatics," and "The Lion and the Mouse."

OBITUARY

Mrs. Caroline Plaisted

The burial of Mrs. Caroline Plaisted, pioneer resident of the valley aged 95 years who for the past 20 years has resided in Portland, where her death occurred, took place here at Idlewild cemetery on Tuesday. Mrs. Plaisted, whose husband died here in 1885, was the grandmother of Charles Evans, of this city. The burial was directed by C. C. Anderson.

H. E. Payton

Funeral services for H. E. Payton, aged 69 years, were conducted at the Anderson chapel Tuesday afternoon, interment following at Idlewild cemetery. Mr. Payton, who is survived by four children and his widow, died Monday. Mr. Payton recently rented the West Side orchard place of Postmaster Reavis. Rev. Guy Emery, pastor of the Valley Christian church, officiated at the services.

K. Takeiri

Funeral services of K. Takeiri, Japanese orchardist employed on the West Side place of W. J. Knight, who succumbed to internal injuries sustained Sunday when the team drawing a power spray machine ran away, toppling the heavy tank on his body, were held at the Anderson chapel Tuesday afternoon. A number of ribs, some of them penetrating the lungs, were broken. Mr. Takeiri is survived by his widow and one son. He was 37 years old.

Vinegar Rate is Applied

C. C. Crew last week received a letter from the Interstate Commerce Commission announcing that a reduction in freight rates on vinegar, originating in the Northwest and destined for the Omaha gateway, was applied May 1. Orchard by-products plants of the middle west endeavored to secure an annulment of the reduction, and at the request of local vinegar manufacturers the Club wrote appealing that it be applied, as the reduction will enable the sale of vinegar manufactured in the Northwest in the middle western points.

The letter to Mr. Crew states that a petition from the middle western vinegar interests for rescission of the lower northwestern rate is expected to come before the commission soon.

Auxiliary Plans Oriental Tea

The members of the Women's Auxiliary of the American Legion will be hostesses this afternoon from 2.30 to 5.30 o'clock at an Oriental tea. The social function for which elaborate preparations are being made will be held at Library hall. The funds raised will be used by the Auxiliary in aiding the Portland chapter in furnishing delicacies, magazines and such articles to ex-service men who are ill in Portland hospitals.

Pomona Grange Resolution

A report of a recent Pomona Grange meeting, carrying a resolution in opposition to the trunk highway and other matters, reached the Glacier too late for publication this week. It will be used next week.

DAVIDSON OFF FOR SEATTLE MEETING

H. F. Davidson left Tuesday for Seattle where he conferred with apple shippers of other districts over plans for forming an apple export association, whose members will arrange for direct water transportation of this season's export tonnage of the Northwest's apple crop. The shippers will formulate a definite proposition to be submitted at a final meeting to be held in Seattle June 1.

Discussing the Yakima rate hearing last week, when apple shippers there to present data to the Interstate Commerce Commission launched the water shipment plans, Mr. Davidson says he believes some reductions from the railroads are in store.

"The proposition can be stated in a nutshell," says Mr. Davidson. "The existing rate is equivalent to a \$1,000-an-acre mortgage, at seven per cent interest on our orchards and that is more than the industry will bear."

I. P. Traffic Manager Due Soon

H. M. Adams, traffic manager of the Union Pacific lines, has written to J. H. Fredrick that he will pay the Hood River valley a visit about mid-June. Mr. Adams, Mr. Fredrick says, wishes on his visit here to meet with apple growers, bankers and business men to confer on general business and particularly on the matter of fruit freight rates.

Mr. Adams and Mr. Fredrick, along with local shippers and growers, was present last week at an Interstate Commerce hearing for fruit men at Yakima. The railroad companies, Mr. Fredrick says, do not wish to appear arbitrary in the matter of rates but have a sincere desire to cooperate with growers and shippers to secure a readjustment.

DODGE BROTHERS CARS HAVE CORD TIRES

An event of interest to motordom is the announcement made this week by Dodge Brothers that all of their cars will hereafter have oversize cord tires as regular equipment.

The announcement was received on Tuesday by Dodge Brothers local representatives, Bennett Brothers, who made the following comment: "This change to cord tire equipment further reflects Dodge Brothers traditional determination to build into their car more and more service-value, to make the purchase price of the car as nearly as possible the last expenditure. "Not only have Dodge Brothers changed from fabric to cord tires but they have also changed the size from 3 1/2 inch to 4 inch. We estimate this change gives the customer about four times the tire mileage as compared with the original fabric tire equipment. In other words, from a standpoint of extra service-value, this change is equivalent to a reduction of about \$250 in the selling price of the car because it would require three extra sets of fabric tires 3 1/2 at a cost of about \$85 a set, or \$255 for the three extra sets, to equal the mileage of the one set of cord tires with which the car is now equipped. "In seven years the increase in the price of Dodge Brothers car has been the least of any but one. During that time improvements to the car have more than offset the moderate increase in price."
