Mr. and Mrs. G. W. Kollas and children motored to Portland Tuesday to attend the Rose Festival and to visit at the home of Mrs. Kollas' uncle, Jas. Lacy.

Because of the fact that your correspondent returned home on that day and was so very crowded for time to write last week's notes mention of the opera was omitted. As was expected Mrs. Henney's thorough and intelligent direction and response of students resulted in a performance splendidly successful and both director and performers received numberless sincere congratulations.

Odell high school commencement last Friday evening was well attended. A solo by Mrs. Chas. Henney, the address by Rev. Gabriel Sykes, the speaker of the evening, and Rev. Gleiser and Chairman of the Board Allison Fletcher's parts in the program of the evening were enjoyed by those present. The following students are members of the class of 1921: Margaret Mull, Bernhard Krohn, Margaret Gould, Esther Anna, Miriam Clarke, Kenneth Krumenheuer and Ruby Mull. Following the presentation of diplomas, Miss Margaret Fletcher, president of the alumni in behalf of students past and present presented to V. M. Vose a fine camera. A farewell reception for Mr. and Mrs. Vose followed and many hearty expressions were heard from those who have known them during the seven years Mr. Vose has served as principal of Odell high school, first in the old school and later in the new. They have gone to Sayward, B. C., where they expect to spend the following year or more.

The following extract from an article in the Willamette Collegian is of interest to residents of Odell: "Everybody who attended the recital given by Miss Ferguson and Mr. McGrew agrees it was the best prepared and best performed recital which has been given by the students of the expression department this year. Such work as this does credit not only to the individuals themselves but to the department and to the university."

The Epworth League of Odell will present Miss Ferguson and Mr. McGrew in recital at the Grange hall Friday evening, June 17, in a program practically the same as the one which called forth the above very favorable mention.

Before this appears in Odell's column in this week's issue of the Glacier, the verdict of the voters upon the bond issue will leave that issue no longer in doubt. As election day approached interest was keen and we believe Odell precinct polled near one hundred per cent vote. At the time this is written we do not know the result but whatever the result those whose vote was not on the winning side must submit gracefully to the decision of the majority.
